foreword

Not just another yearbook. . . but an Allagaroo. Not just another high school. . . but Hutchinson High School. Not just another year. . . but 1965, a year unique, to state the obvious. Nine more months are behind you, there's little preparation time left.

Look at HHS at night or when no one else is around. Its brick and glass walls are still there. Imagine the building having eyes and a memory. Imagine what it sees and remembers. How is one school day different from the next? Ask the bricks. For the better part of four years an indistinguishable mass of students has infested its halls and rooms but always pass on. How is one school day different from the next? Ask yourself. You associate yourself with events and objects and people. You remember a certain boy or girl when you hear a certain record and you can remember which day it was. You hear the twang of an electric guitar and remember a certain dance in the cafeteria. You find a glitter-studded carboard star and remember how poor your choice was for Joe's.

These are all little things. An entire book is made available for total recall.

1965 allagaroo staff

chooses basketball coach

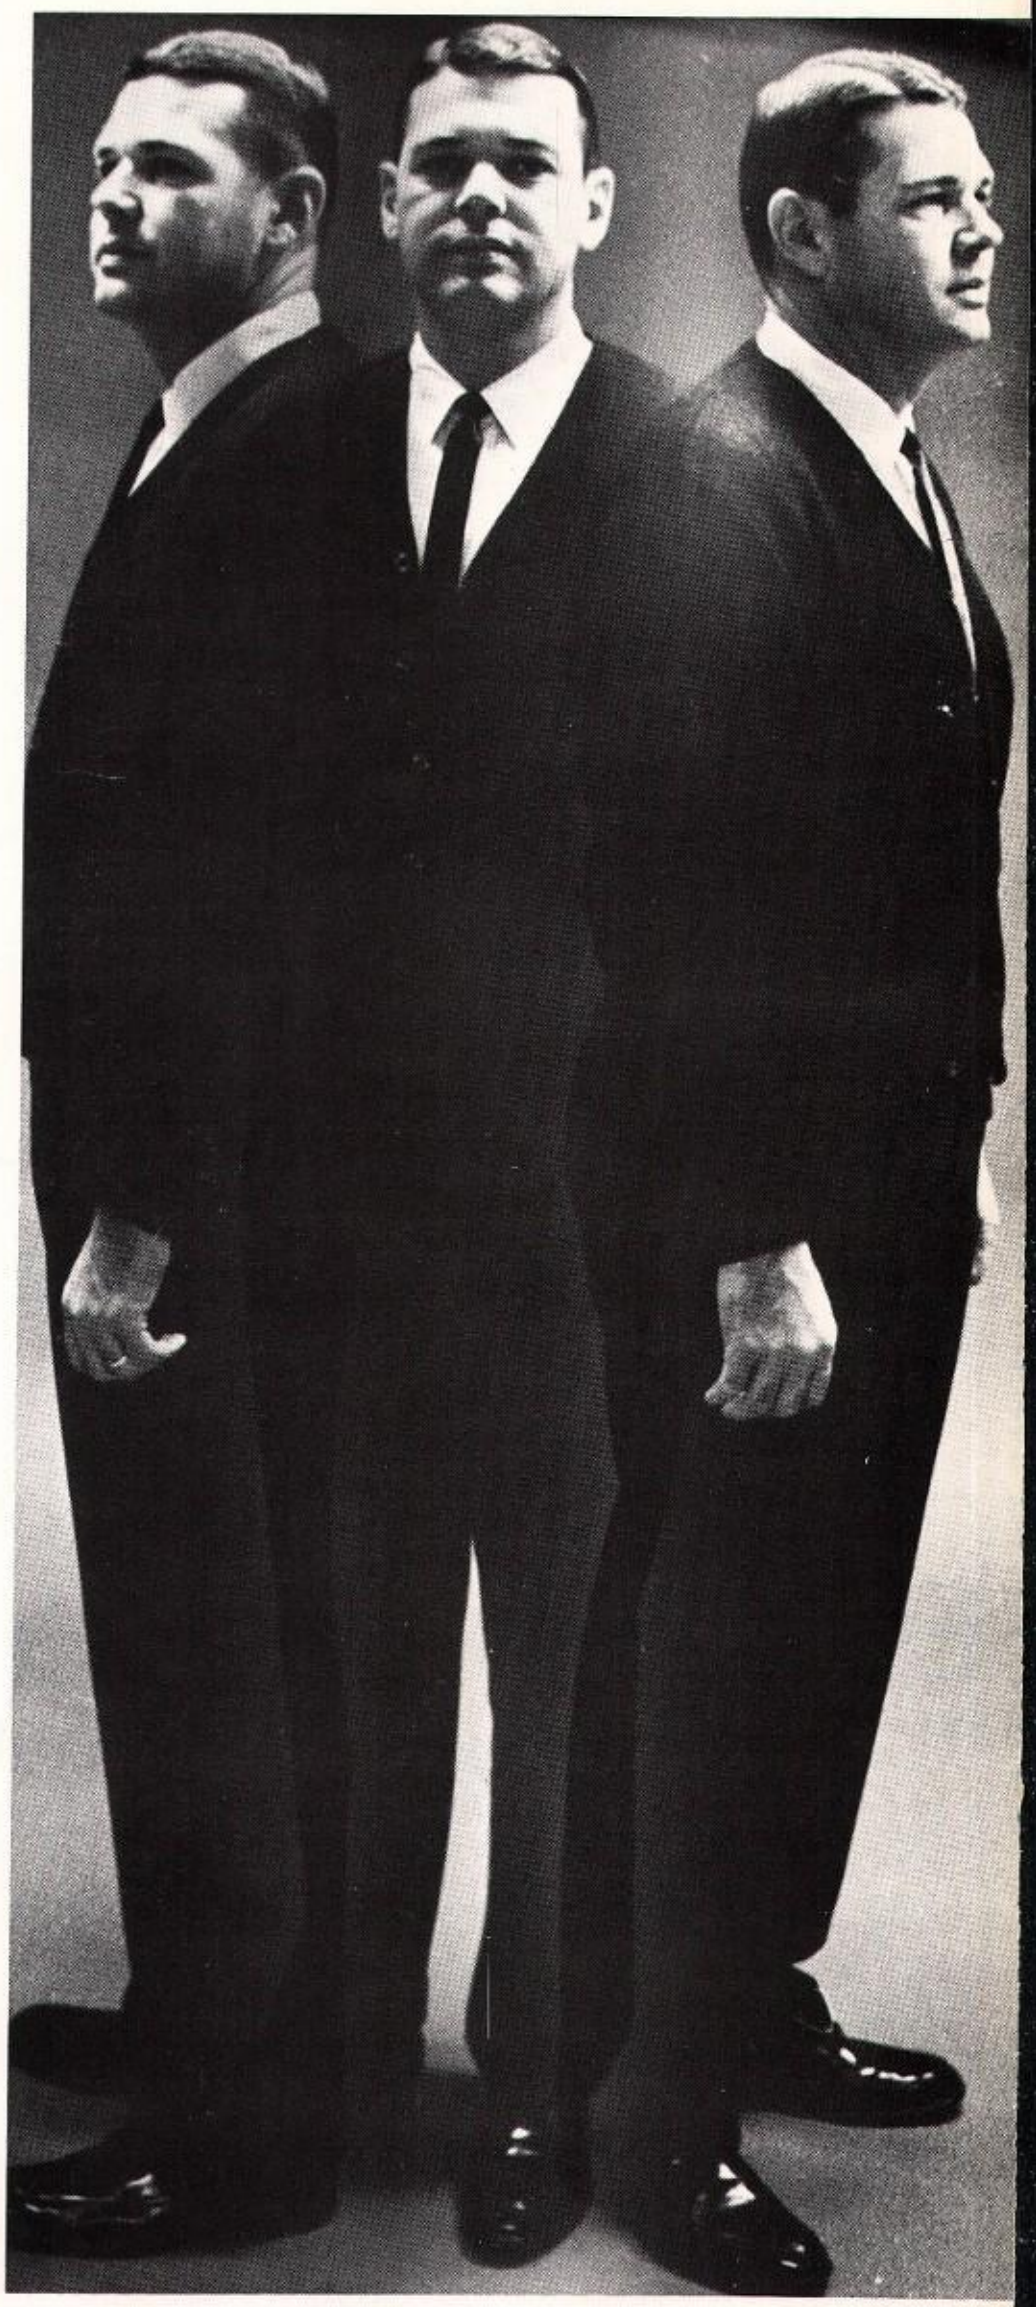
Mr. Krafels, "Coach," or "Joe," whichever way you know him, is a rare combination of a true gentleman and a successful basketball coach.

Coming to Hutchinson from Hoisington, Coach Krafels has compiled an exceptional record with over 125 victories, and has never had a losing season.

During his nine years at Hutchinson, the Salt Hawks have moved into Ark Valley League domination and have been AVL champions the last five years.

Mr. Krafels' orange "victory" socks have brought him good luck and spread enthusiasm among the student body. One of his familiar sayings is, "Katy bar the door."

With great admiration and respect the 1965 Allagaroo staff dedicates this book to "Joe" Krafels.



Mr. Joe Krafels

"If we get the tip-off, pass the ball down the court to Mr. Choate who will be standing under the basket," comments chalk-drawing Coach Krafels.

SENIORS

A senior is more than a junior plus one year or a sophomore plus two. The senior year is not just another grade to be proceeded by yet another; it is a unique experience, both in and out of class. Like no other time, those nine months known as the senior year are an end and a beginning—an end to the sheltered existence of junior high and high school, a beginning of a much broader, more complex world of higher education or jobs. It is a year to take the initiative and to assume responsibility. It is a year to be excited about, a year of which to be proud.

award

board of judges selects

thirty-seventh young american

Selected by the Board of Judges for the oldest award in Hutchinson High School, Young American, was Susie Stuckey.

Mr. Charley W. Oswald, Class of 1885, and his son, Mr. A. Lewis Oswald, Class of 1917, established the award in 1929.

Susie was selected by the Board of Judges who were composed of a representative group of administrators, alumni, faculty, class officers, and the editor of the student newspaper, The Buzz. Young America is not judged on scholarship alone but, as Mr. A. Lewis Oswald said, "Let the Board of Judges select the Young America by selecting their own standards."

Sponsoring the award are Mr. Charles A. Oswald, Class of 1946; Mr. John Oswald, Class of 1947; and Mr. William A. Mitchell, Class of 1942.

In the Awards Assembly Susie was presented a gold loving cup by Mr. Charles A. Oswald. She also receives $300 if she attends Hutchinson Junior College, the University of Kansas, or Kansas State University or $150 if she attends another college.

The Top Ten seniors who were nominated for Young America by the Board of Judges are Jaye Ediger, Susie Stuckey, Jim Davis, Linda Sollenberger, Julie Crawford, Linda Pearce, Susan Littooy, Bob Van Sickle, John Markle, and Jim Gilliland.

scholarships

students earn national,

state recognition

Eight Hutchinson High School seniors were honored this year as National Merit finalists or with Summerfield or Putnam scholarships.

The five Merit finalists were among 13,000 students across the nation scoring in the upper one-half percentile of all who took the National Merit Scholarship Qualifying Test as juniors.

To become eligible for the Summerfield scholarship to the University of Kansas or the Putnam scholarship to Kansas State University, a student has to first be nominated by his teachers. He then takes a series of special examinations administered by the scholarship committees, and upon this basis the Summerfield and Putnam scholars are selected.

awards

seniors receive

honors from organizations

At the annual Awards Assembly held in the Sports Arena in May, seniors were recognized for scholarships and awards they had earned during their three years in Hutchinson High School. Presiding at the assembly was Principal Roscoe Coyne.

For the first time Co-ed Counselors, an organization of senior girls who help orient sophomore girls, awarded a scholarship of $200 to one of its members. Esther Magie, for her participation in the club, won the scholarship.

Winner of the French Club award was Mike Walter. Mike took a two-hour comprehensive French examination and by making the highest score earned the $100 award.

Last fall Linda Sollenberger was selected by members of the senior class and the faculty as Good Citizen of the Daughters of the American Revolution. She received the DAR Good Citizen pin.

For her participation in the Future Teachers of America Club, her academic record, and her ability to meet responsibilities, Sally Enfield was awarded FTA's $100 scholarship.

The student scholarship committee of Hi-Y selected Steve Harmon as winner of the club's $100 award. The selection was based on interest the member had shown in the club and leadership.

The local Betty Crocker Homemaker of Tomorrow winner was Marilyn Thompson. Marilyn scored highest in a written homemaking examination taken by 552,704 senior girls in the nation's high schools. She was eligible for state and national scholarship awards ranging from $500 to $5,000.

UNDERCLASS

Paying due respect to upperclassmen, getting acquainted with new teaching methods and subjects, and recuperating from the disastrous after-effects of lost report cards complicate the sophomore's task of adjusting. However, he eventually familiarizes himself with high school traditions and daily routine.

The junior, caught between sophomore innocence and senior experience, realizes the need for hard work and endurance in meeting the present challenge of education. Through both social and academic interests, the junior's year closes with his readiness to fill the oncoming role as a senior.

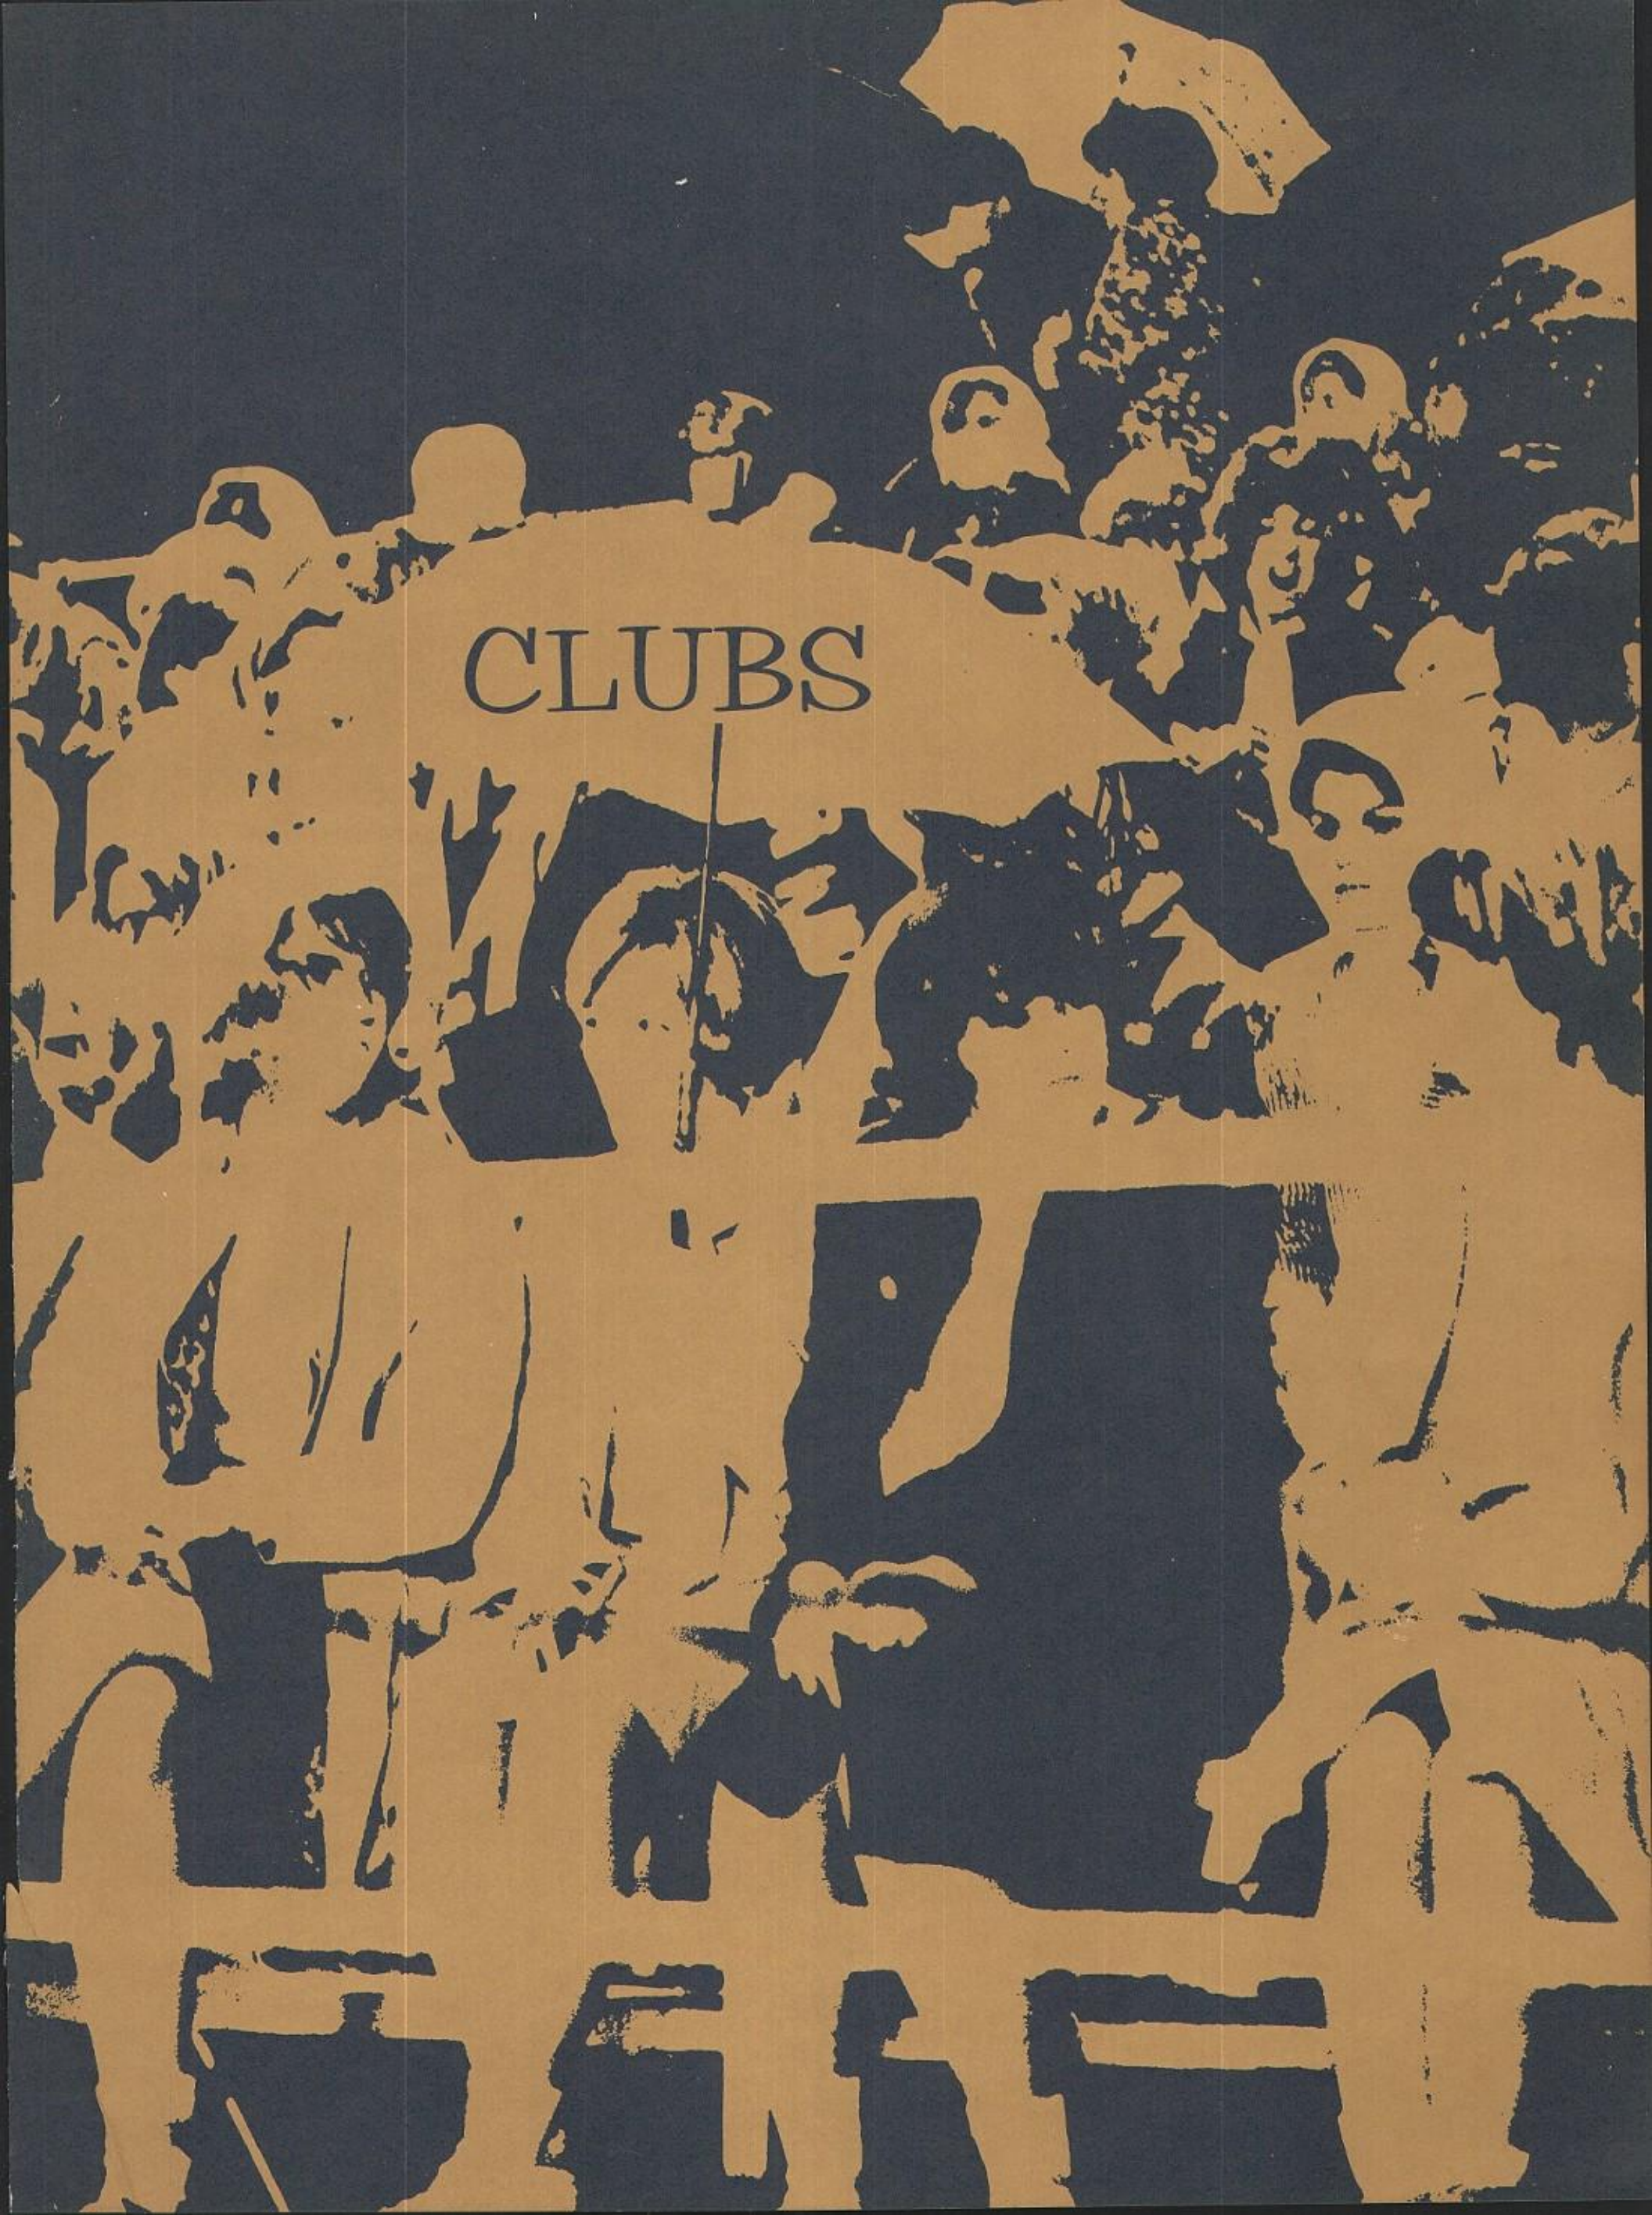
CLUBS



Clubs and organizations compose that part of high school life which is purely voluntary. No one is forced to participate in any extracurricular activity, no one required to join any club. But in store for he who does is a world of fun, responsibilities, frustrations, and experiences which make high school life far more meaningful. The active student touches the pulse of the school, and so helps to enrich it. His efforts help him develop his own attitudes, skills, social poise, and self-confidence. And the memories of those experiences dwell long after the individual has matured.

student council

co-ordinates activities;

continues afs program

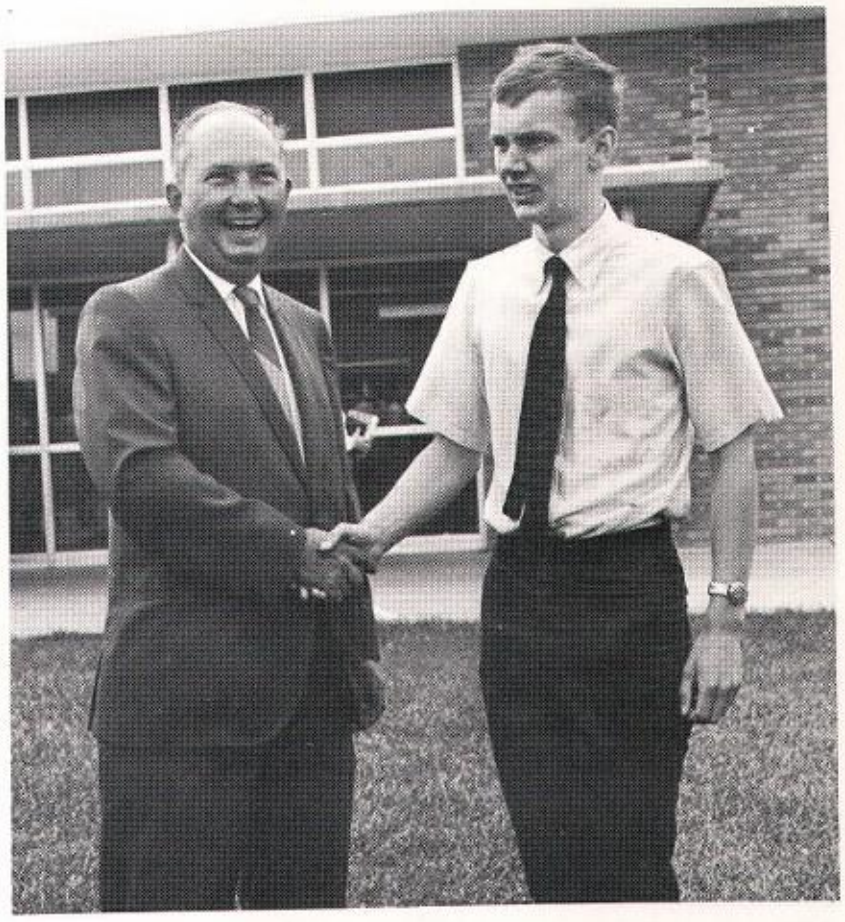
Student Council's main objective was to act as a governing body to co-ordinate school activities. Led by Bob Van Sickle, president, and Tom Arbuckle, vice president, the council served as a cooperative link between the students and the administration.

The council itself is a bicameral legislative body composed of a general assembly and an executive board. The eleven member executive board worked closely with the administration, providing a more effective means of student representation.

Student Council continued participation in the American Field Service program by sponsoring John Gypen, foreign exchange student from Belgium. Other annual projects of Stuco included the student lounge, the sale of Flag theater tickets, and the instigation and management of the school book store.

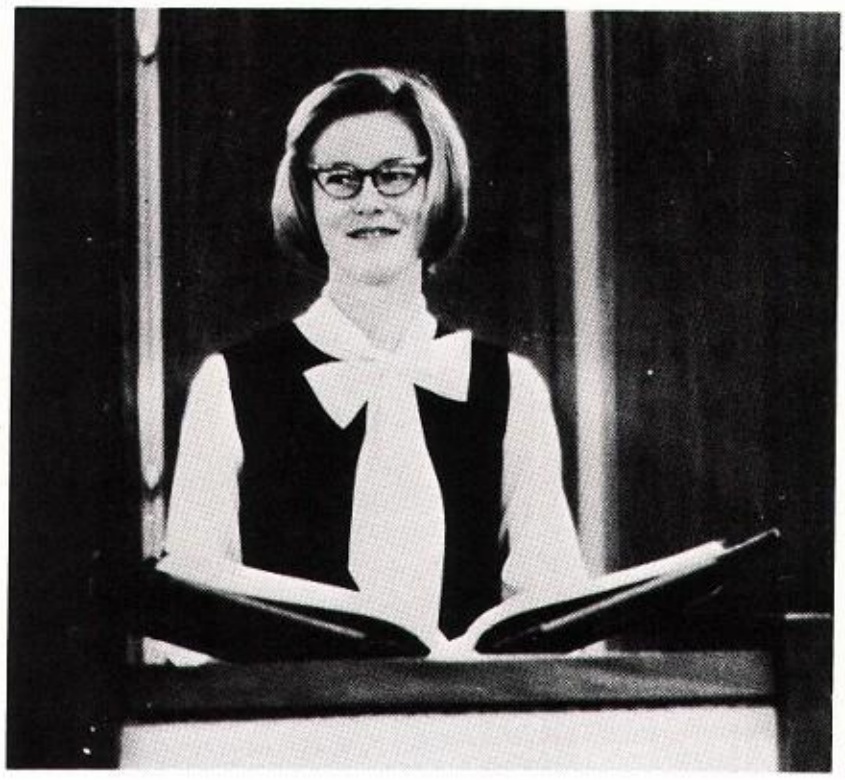
Examining Student Council's accomplishments are Tom Arbuckle, vice president, and Bob Van Sickle, president.

Discussing the American Field Service program are John Gypen and his "foster" family, Mr. David R. Mackey, Marilyn, Rob, Doug, Mrs. Mackey, and Martha.



Receiving a formal welcome from Mr. Harold Dufek is John Gypen, foreign exchange student from Belgium.

Patronizing the bookstore are Stuco sponsors Mrs. Charlene Lind and Mr. Archie Shroyer.



Reporting on monthly receipts from Stuco projects is Beth Crawford, treasurer.

kayettes

sponsor service projects

in working toward goal

To begin the year, Kayettes welcomed the teachers with carnations and initiated a membership drive which made them one of the largest Kayette clubs in the state with 370 members. Early in the year they held the annual Kayette bonfire to welcome sophomores to the club and prepare members for upcoming projects.

Besides helping in the Community Chest drive, sponsoring a bundle drive, and having the Mother-Daughter tea, the Kayettes sponsored the Thanksgiving assembly. Miss Wanda May Vincent, director of the Kansas State High School Activities Association, spoke on the '64-'65 Kayette Theme, "I Believe."

By Christmas the club had finished their candy sales which were the largest money-making project of the year.

Just before semesters, the Kayettes erected a wishing well in A lobby to raise money for CARE and students wished for good grades on semester tests. Club members also honored the teachers with a tea during the semester break.

Other Kayette projects were a Christmas tree for the library, candy canes for the teachers at Christmas, People-to-People program, Dress-up-Day, Toys-for-Tots, Dandelion Dig, Date-with-Dad, and the Snowball.

"Come on Mrs. Stamper, open your eyes!" smile Kayette sponsors Miss Lydia Beyerlein and Mrs. Janice Brittain.

"Okay, come back in an hour for more," says Linda Fulks to Cindy Hill during a candy sale.

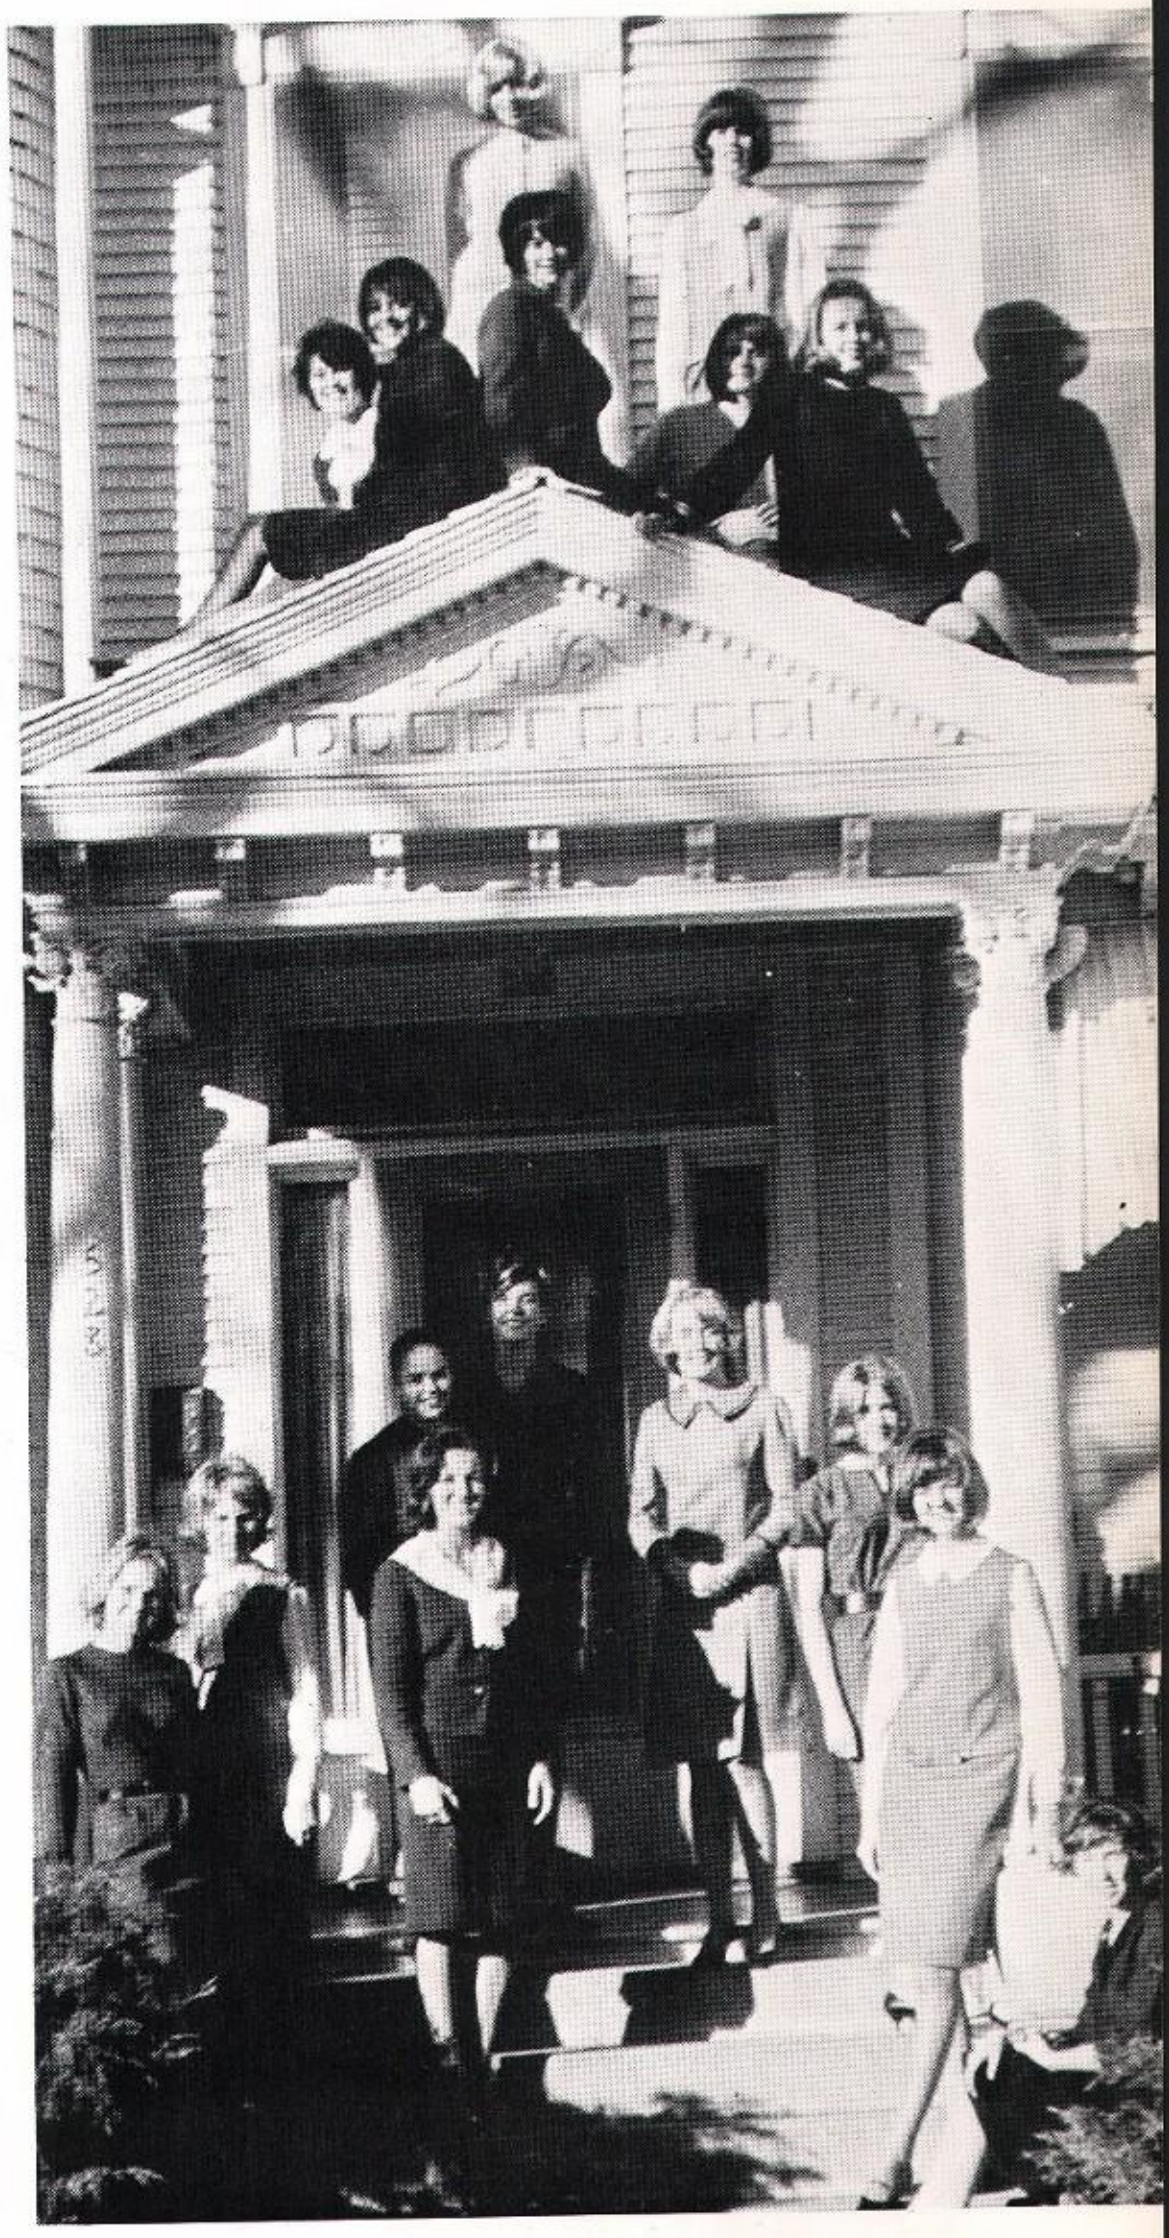
Gail Lainson, Susan Nunemaker, Susie White, and Jill McKinney fill boxes for the CARE bundle drive.

From the fox trot to the jerk in one easy lesson seems to be the theme of the "Darling Dad" dance.

Hoping the money she put in the wishing well will bring her luck on finals is Frieda Lindburg.

Radiating health and beauty is Kayette President Julie Crawford.

Thinking creatively are Kayette officers Linda Pearce, vice president; Linda Sallman, secretary; and Patty McGuire, treasurer.



Kayettes enjoying the privilege of fun and laughter are junior board members on the roof—Dianne Quimby, Janey Frost, Kathy Kirk, Nancy Smith, Marcia Rains, Georgia Painter, and Sally Holford. Senior board members on the porch—Linda Hunt, Mary Cook, Phyllis Kumorowski, Jerelyn Plummer, Nancy Hodgson, Jan Mustain, Susie Stuckey, Linda Sollenberger, and Esther Magie.

snowball

a wish on a star creates

mood of fantasy

On Dec. 19 the cafeteria was transformed into a castle ballroom, complete with turrets and wooden drawbridge, as the Kayettes sponsored the twelfth annual Snowball. The silver and blue color scheme was carried out with glittered wall murals and Christmas tree ornaments. Refreshments were served from a banquet table and a punch fountain. The McPherson High School dance band provided the music.

Rather than the traditional stage mural, blue and green stage lighting on silhouetted mountains and a castle formed the background, which was accented with a large silver star.

The floor show included the senior chorus line, several songs by a folk group, Linda Hunt, Bob Van Sickle, and Jim Davis, and "Starlight, Starbright," sung by Sharon Cody. Linda Sollenberger acted as mistress-of-ceremonies, assisted by Dianne Quimby.

Putting the final touches on decorations are Mary Cook and Julie Crawford.

As they enter the "castle ballroom," Eddie Lee and Janie Lawson receive programs from Kim Rains and Sam Stuckey.

Susie Stuckey, head of the Snowball, accepts a rather large "corsage" from Janey Frost, co-head.

Dancing to the music of "Stardust" is the senior chorus line. Members are Julie Dufek, Linda Pearce, Linda Hunt, Linda Nichols, Judy Ferguson, Moni Sue Woolley, Linda Sollenberger, Susie Stuckey, Beth Crawford, Linda Smith, Susan Griffee, and Nancy Stuckey.

los gatos

sponsor school dance;

take trips to ku and kansas city

The Spanish club, sponsored by Mrs. Dorothy Stamper, was organized over ten years ago to give its members a greater appreciation of the Spanish language. Los Gatos members have remained active although the annual trip to Mexico was discontinued.

In the fall Los Gatos served a Spanish dinner of tacos, frijoles, and Spanish rice for the members. The Christmas party highlighted the traditional breaking of the pinata.

Following the Wichita Heights basketball game, Los Gatos sponsored a dance in the cafeteria. The club also held candy sales as a money-making project.

On Feb. 5, members went to Kansas City, Mo., by train to see the "Ballet Folkorico Mexico." This was a group of 75 touring dancers who told the history of Mexico through dancing.

The year's activities ended with a trip to KU to celebrate Cervantes Day where the students gave speeches and demonstrations stressing the importance of Spanish.

Los Gatos officers are Dawn Neuburger, secretary; Patsy Petty, president; and Gail Lainson, vice president.

"There's plenty more if you'll just wait," points out Mrs. Dorothy Stamper at the Spanish dinner.

Program committee board members are Randy Updegrove, Kathy Kirk, Deidre Elliott, Julie Crawford, and John Gypen.

Finance committee board members are Michael Moulds, Virginia Whitney, Patty McGuire, Mark Ogle, and Jerry Scott.

With Mr. Warren Alpers as head sponsor, the lettermen's club drew up a constitution at the first meeting. New officers were also elected. At other meetings, sports highlight films were shown.

During the year the H-Club ran the concession stand at sports events and sponsored the basketball queen dance.

key club

club emphasizes scholarship;

hosts state convention

Emphasizing scholarship and leadership, Key Club limited membership to 40 young men, in an effort to strengthen the club and increase efficiency.

Along with the anti-j-walk campaign, annual car check, and the Big Brothers Christmas basket delivery, the club undertook a get-out-the-vote campaign.

Fund-raising projects included a car wash, fudge sales, and participation in the Kiwanis Club Pancake Feed.

The district convention, March 26-28, highlighted the year with an attendance of over 400. Jim Davis, district governor from Hutchinson, and Don Montgomery, district secretary-treasurer, presided over the convention.

This summer, the Key Club plans to send several representatives to the international convention in New York.

Jim Gilliland, club president, laughs as Dave Lackey tries to find out who hit him with an eraser.

" . . . and if any of you get into trouble New Year's Eve, I'll explain everything to your parents," states Mr. Bob Johnson, juvenile officer, who spoke at a club meeting.

The Key Club board provided earth-shattering leadership to club members — Jim Gilliland, president; John Markle, secretary; Jim Davis, governor; Don Dickerson, sophomore representative; Mike Kline, program co-chairman; Jaye Ediger, vice president; John Dillon, program co-chairman; and Dave Lackey, treasurer. Not pictured is Don Montgomery, district secretary-treasurer.

Looking over correspondence are Jim Davis and Don Montgomery.

Bob Van Sickle, Key Club district convention co-ordinator, makes last minute preparations for the governor's ball.

As a club project, David Hodgson hands out political pamphlets to Mr. Bob Atwater.

Chuck Briscoe looks debonair as he promotes school spirit in the Key Club pep skit.

"I think I used too much yeast on that one," remarks Doug Lyman as he attempts to guide the flying flapjack into the waiting hands of Dwight Hemmerling. Doug and Dwight are working at the Kiwanis Pancake Feed.

gaa

provides recreational activities;

gives sports awards

After a year full of athletic activities, members of the Girls' Athletic Association realized the value of physical fitness.

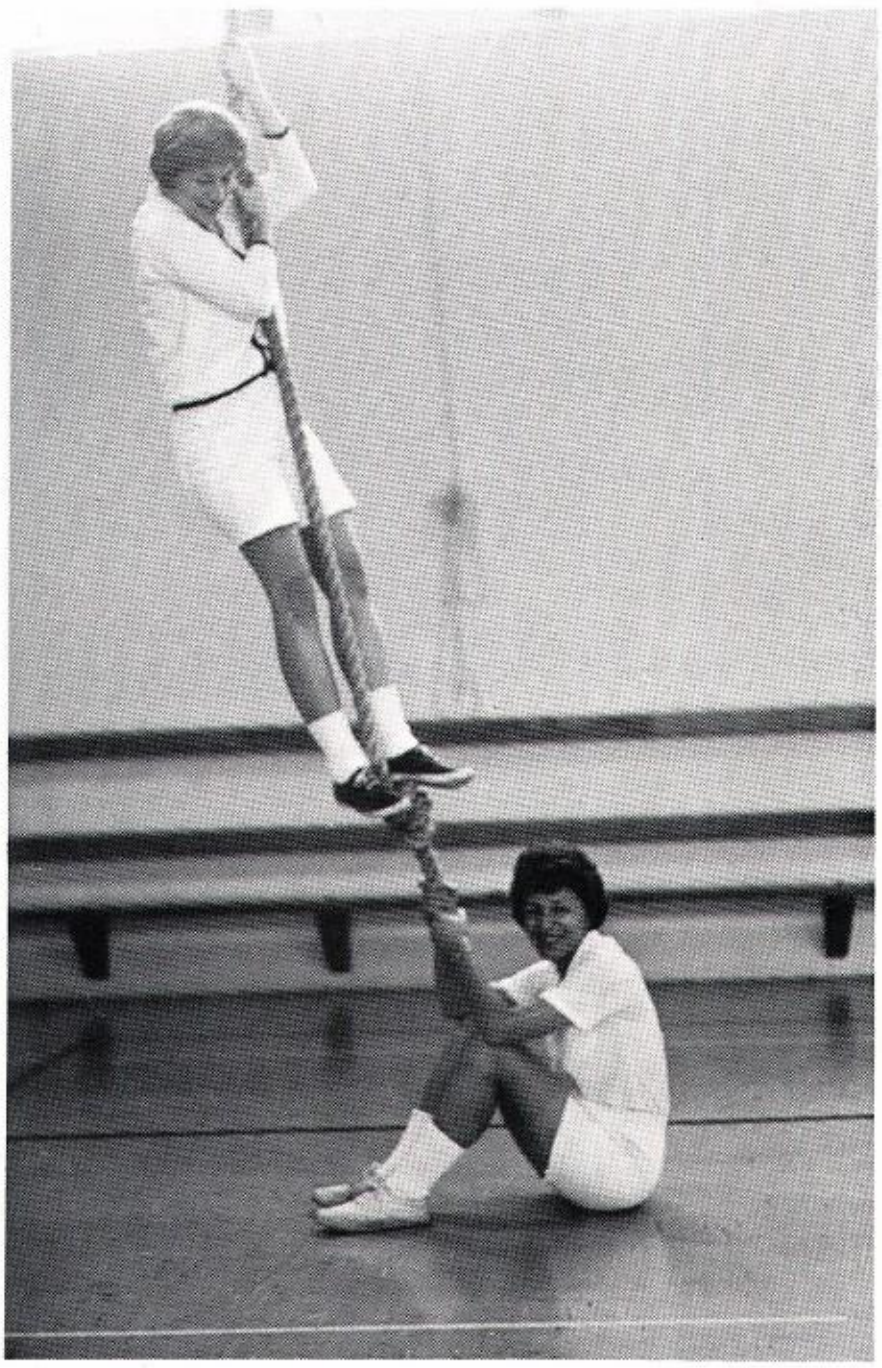
Members of GAA were convinced they had to be fit to carry on such activities as golf, bowling, horseback riding, hiking, swimming, and various team sports including basketball, volleyball, and softball.

Under the leadership of President Toni Wandt, the GAA board decided to amend the constitution. A six-member committee was appointed to make final revisions.

After revising the constitution, GAA concentrated on raising money for the annual "Joe's Tavern." Some of the projects were a car wash, selling homecoming mums, and selling candy.

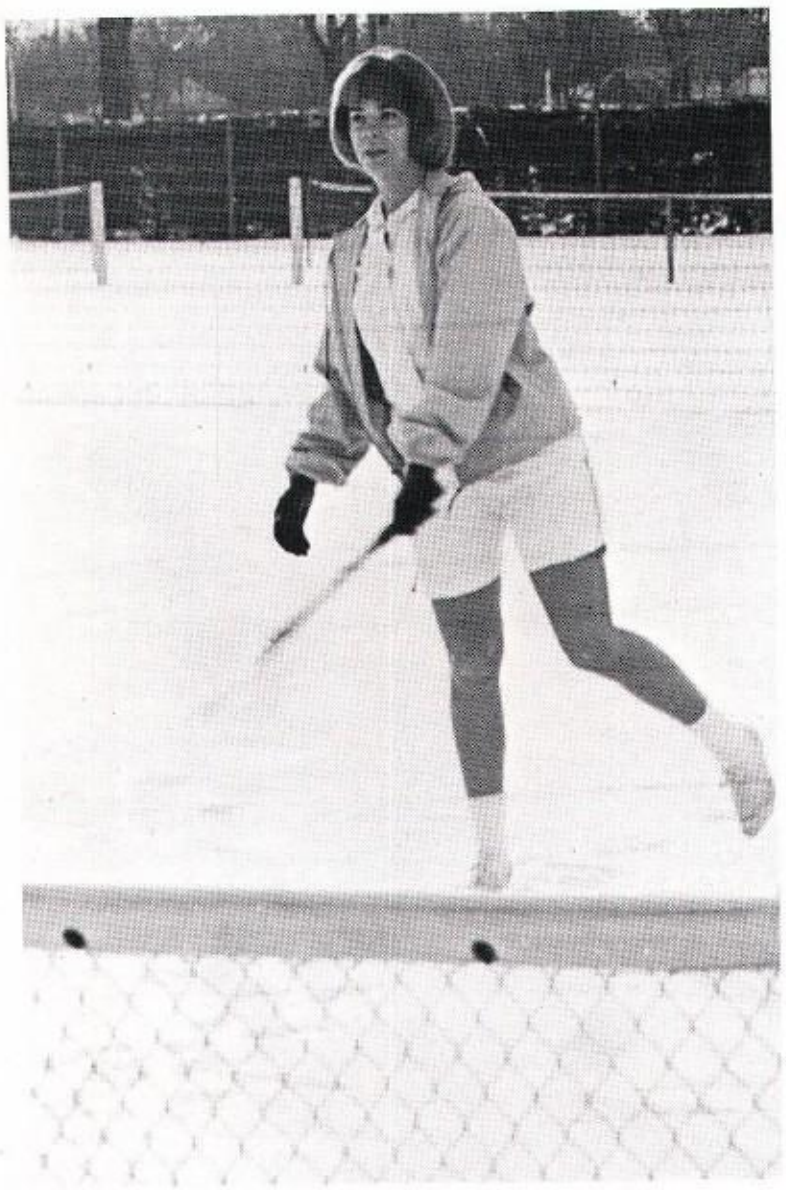
At the final meeting of GAA, following the election of officers, the new officers were installed and informed of their duties in GAA. After the installation, awards were given. To receive an award the member must have accumulated 3000 points from the various activities. Only seniors were given this award. Other awards were given to juniors and sophomores.

Sophomores Louise Gilliland and Nancy Barton purchase tickets for "Joe's Tavern" from senior board members Sylvia Rothwell and Judy Smyth.



"I'm sure I can make it to the top if you'll just hold on!" exclaims Miss Gwen Rowe to Miss Kiki Cappony. Both are sponsors of GAA.

GAA constitution committee discusses amendments to the constitution at one of the meetings. Members of the committee are Judy Smyth, chairman; Jody Moyers, Linda Harrison, Pat Johnston, and Sally Holford.

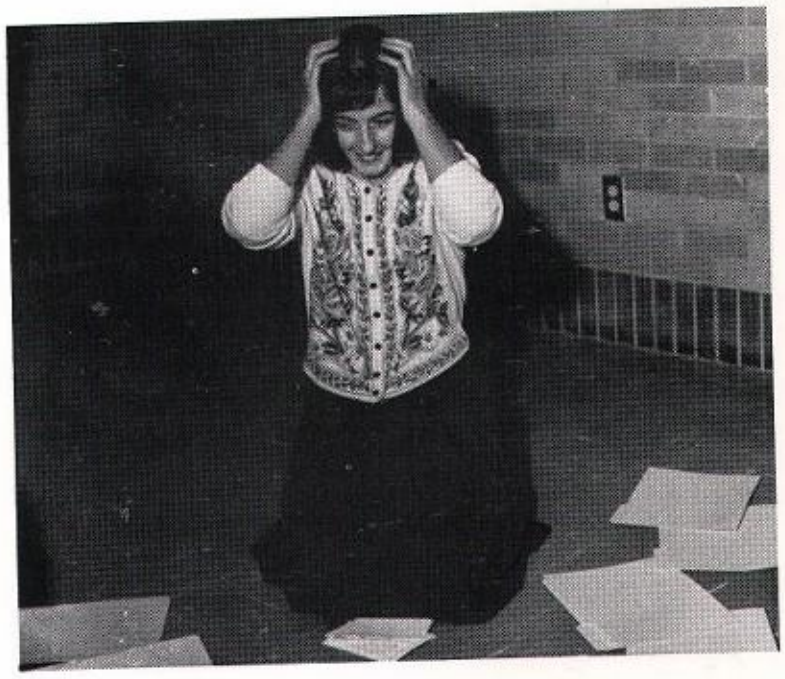


Following through on her serve, Toni Wandt, president, executes her tennis style in a rather "cool" atmosphere.

At a special GAA board meeting held in the gym, board members discuss money-making projects for the annual "Joe's."

Getting ready to leave for a GAA board meeting are Donna Jeffries, treasurer, and Susan Littooy, secretary.

Kathie Bowlinger reluctantly guides Rusty as Bonnie Carter, Cindy Brewster, and Julie Smith try to stay on.



"What a mess!" thinks Jody Moyers, points chairman for GAA, as she tries to record each member's total points.

joe's tavern

rattles and teddy bears

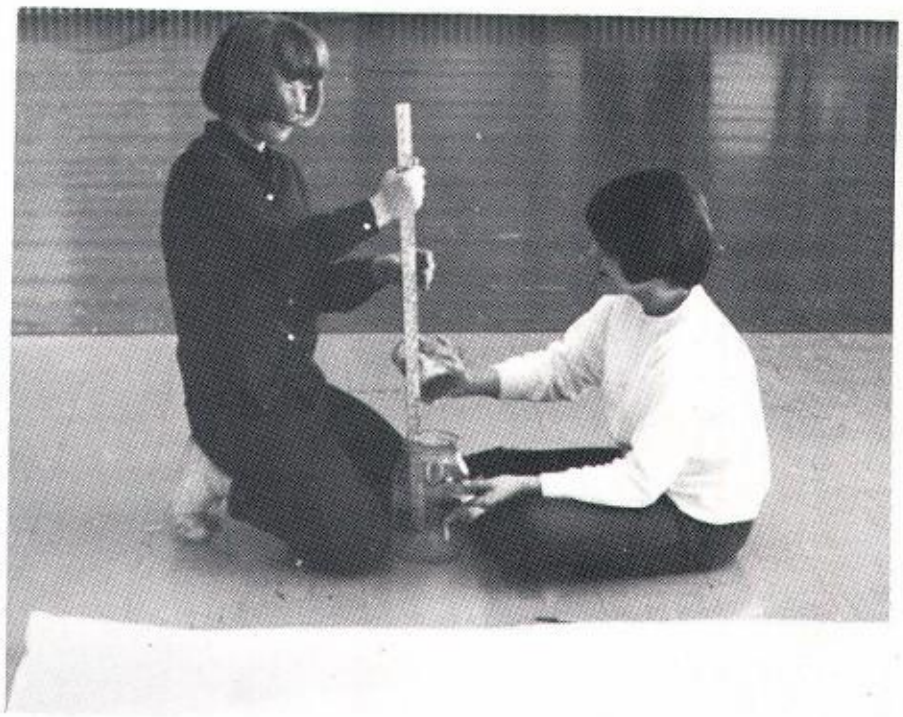
provide atmosphere for 'baby joe'

After three months of drawing, painting, and cutting, GAA board members presented the annual "Joe's Tavern" April 24. Convention Hall was transformed into a baby nursery illustrating the "Baby Joe" theme.

Pictures of storybook characters, including Snow White, Dumbo, Pinocchio, and Sleeping Beauty hung on both walls. Rattles, tops, blocks, and safety pins with pink and blue designs also added to the decorations. A baby's playroom was created by the stage mural which provided a background for the chorus line and soloist.

Dancing for the floor show were "Joe," Linda Nichols, and the chorus line, the "Baby Dolls." Debby Corley was the soloist.

Completing the nursery atmosphere was a stuffed teddy bear hanging from the center of the pink and blue ceiling.



Saturday mornings find Vicki Johnson and Sharon Mangels, GAA board members, mixing paint for the murals.

"Joe's" soloist, Debby Corley, takes time out from practicing to smile for a picture.

Dancing in front of Dumbo is "Joe," Vice President Linda Nichols.

Holding their teddy bears are "Baby Dolls" Gerry Erwin, Nancy Jackson, Kathy Ewing, Patty McGuire, Sylvia Rothwell, Connie Holford, co-head of the chorus line; Pat Nichols, Judy Hicks, co-head of the chorus line; Judy Ferguson, Bobbie Rudicel, Linda Smith, and Linda Gamble.

Admiring the FHA symbol are sponsors Mrs. Elizabeth Trosper and Mrs. Avis Crawford.

fha

future homemakers of america

look toward new horizons

The Future Homemakers of America sought to better acquaint their members with the different aspects of the homemaking profession. Meetings and projects were centered around the theme, "Towards New Horizons."

Activities for the year began with a "Come-As-You-Are" breakfast. The breakfast provided a chance for members to become acquainted. Projects during the year included a bake sale and Date-With-Dad. The annual Easter assembly was also given by FHA'ers. The year was rounded out by a tea and spring fashion show in which members modeled garments which they had made during the year.

"This chocolate cake looks good!" remarks Diane Nonken to Roberta Schrader.

FHA members listen to guest speaker, Mrs. Maurine Farney, on the subject of home decorations.

Getting together for an outside FHA board meeting are— *Back Row:* Marell Richardson, Linda Christman, Marty Watson, Phyllis Hart, Bobbie Rudicel, Kathie Gartung, Bonnie Chambers, and Carol McCurdy, song leader. *Front Row:* Linda Smith, president; Diane Nonken, vice president; Roberta Schrader, secretary; Shirley Wait, treasurer; and Sheryl Wait, historian.

debate

squad attends tournaments;

argues arms control

Debaters began research early in the summer on the 1964-'65 topic, Resolved: That nuclear weapons should be controlled by an international organization. Squad members also helped finance trips by selling advertising for the athletic programs.

The tournament season opened the first week end of October and ended the first week of January. During this three-month period the squad attended eighteen tournaments, placing in eleven of them.

Hutchinson High School was the site of three debate tournaments: the Ark Valley League Tournament, Nov. 23-24; the twenty-fourth annual Hutchinson Invitational, and the National Forensics League State Championship, both held Dec. 11-12.

Debate coach Mr. Gary Sherrer polishes some fruits of squad effort. The team accumulated eleven trophies from invitational tournaments.

"Resolved: That we took the wrong turn-off on the way home from the tournament" seems to be the topic for advanced debaters Don Hazen, Pam Gilbreath, Moni Sue Woolley, Phill Hish, Jan Mustain, Coach Gary Sherrer, Jane Wandt, Brian Carland, Doug Taylor, James Weston, and Nancy Stuckey. Seated are Eric Frey and Doug Mackey.

nfl

sponsors speech program;

offers points for degrees

The National Forensic League is a national speech and debate honor society. Members receive degrees by achieving points in debate rounds, speech festivals, and other speech events. A climax of the season was the State Student Congress in Topeka.

Besides debate, an important part of club activities was participation in the various forensic speech festivals. Extemporaneous speaking, oratory, contest play, informative speaking, dramatic interpretation, interpretive prose, interpretive poetry, and duet acting were the major forensic fields.

Membership in the organization grew during the year because of increased interest in the debate and speech programs offered at Hutchinson High School.

senior play

'65 actors go oriental

in pulitzer prize winner

The Senior class of 1965 produced John Patrick's, "The Teahouse of the August Moon", for two standing-room-only audiences Nov. 13-14.

Directed by Mr. Gary Sherrer and Miss Barbara Harvey, and assisted by student directors Nancy Hodgson and John Gypen, the play dealt with the incidents occurring in post-war Japan. The Okinawan occupation forces, led by a blustering colonel and an easily-embarrassed captain, set out to educate the natives by certain "enlightening measures," notably Plan B, otherwise known as "Orienting the Oriental."

The middle-man amid the resulting confusion was a comical and an amusing interpreter by the name of Sakini who added the final touch to the presentation.

Directors Gary Sherrer and Barbara Harvey rarely have time during rehearsals for upward glances.

Senior cast members who await final instructions before dress rehearsal are—*Standing:* Sylvia Rothwell, Eric Frey, Jerelyn Plummer, Lynn Barnard, Jack Nuzum, Doug Taylor, Lynn Galloway, Kathy Schmidler, Susan Littooy, Randy Kiser, Doug Mackey, Mike Kline, Marion Roberts, Julie Dufek, Linda Nichols, David Stoesz, Chuck Briscoe, and Sharon Parker. *Sitting:* Nancy Stuckey, Ray Williams, and Tom Holmes.

players present

'the miracle worker'

William Gibson's "The Miracle Worker" was the 1965 all-school play. The play revealed the gripping story of teacher Anne Sullivan's efforts to rescue Helen Keller from a world of silent darkness.

The setting is in the late 1800's in Alabama. Captain and Mrs. Keller, frustrated from traveling throughout the country in search of a doctor who might help Helen, send to Boston for a young Irish teacher, Anne Sullivan. Anne is a hardy young woman who has had no easy life herself. Orphaned at an early age, she has experienced blindness and has only regained her sight through a number of painful operations.

Arriving at the Keller home, Anne faces an unbending Southern society, an obstinate father, and a child who is more a wild animal than a young girl.

Despite these obstacles Anne succeeds, and it is through her determination that the play gains meaning and depth.

perrill club

members give one-act plays;

participate in various crews

With a membership of over 150, Perrill Club members were joined by a common interest in dramatics. Members had the opportunity to become acquainted with all phases of play production.

Officers who directed Perrill Club were Sharon Cody, president; Doug Mackey, vice president; Barbara Beery, secretary; and Jack Evans, treasurer. These officers and other senior board members headed crews, committees, the Salt Hawk Review which took the place of the annual Perrill Club play, and produced several one-act plays.

Perrill Club, for the first time, became a member of National Thesbians Society. Fifteen members who had been active in school dramatics were eligible to join.

At the end of the year members with enough club participation points received either a certificate, a medal, or a trophy plus a letter of merit.

faculty pantomimes melodrama

A pantomimed melodrama, "The Lighthouse Keeper's Daughter," with an all-faculty cast was the attraction for the Perrill Club's presentation of "The Gay 90's." Before, between, and after the acts of the melodrama, Perrill Club members presented short oleo acts which included a soft-shoe routine, a barbershop quartet, a magic act, and other song and dance routines of the 1890's.

interest in art

Palette and Brush members began the year with the annual picnic and initiation for the new members. Club membership was limited to students enrolled in art or students who had taken art.

Meetings consisted of demonstrations, panel discussions, and films and lectures on the philosophy of art. Board members met at restaurants and discussed meeting plans over dinner.

The goal of the club was to display art throughout the school and to stimulate interest in art.

Sponsoring the club for the fifteenth year was Mr. Warren Brown.

members prove useful at games;

sell and take tickets

The ticket force, S-3 or Salt Shaker Squad of HHS, is composed of 30 members. The duties of S-3 are comprised of selling and taking tickets at games, plays, and other school activities. The Kansas State Teachers Association convention also provided work for the force.

The informal uniform of the ticket force was blue sweaters with gold insignia, white shirts, dark ties, and dark trousers.

For being on time and attending the games, the members were awarded points. Failure to perform these duties resulted in points being deducted from the member's total.

At the end of the year members with enough points were treated to an awards banquet.

safety council

promotes safety;

wins national award

Safety Council, under the sponsorship of Mr. Joe Krafels, had approximately thirty members. The aim of the Council was to stress the importance of safety to the student body.

Last August the Safety Council was awarded a plaque for outstanding work from the National Education Association for the third year in a row. In October members attended the Governor's Conference in Topeka.

During the school year the Safety Council worked with the Hutchinson Safety Council on various safety projects. Students participated in the poster, essay, and queen contests.

Activities included placing safety posters in the halls, holding candy sales at Christmas, and presenting assemblies on safety.

Spanish National Honor Society is an honor organization whose members must maintain a B average to remain in the club. HHS's chapter was founded in 1958. The chapter, Amado Nervo, was named in honor of the famous Mexican poet. Total membership of SNHS was 22 members.

Activities of the club included a trip to the Mexican Ballet in Kansas City, where they were joined by members of Los Gatos. Members also attended the annual Cervantes Day celebration at Kansas University. The club held monthly meetings and had projects such as selling candy and having Mexican suppers.

Club officers are Randy Updegrove, president; Mary Pennington, secretary-treasurer; and Mike Moulds, vice president.

valence

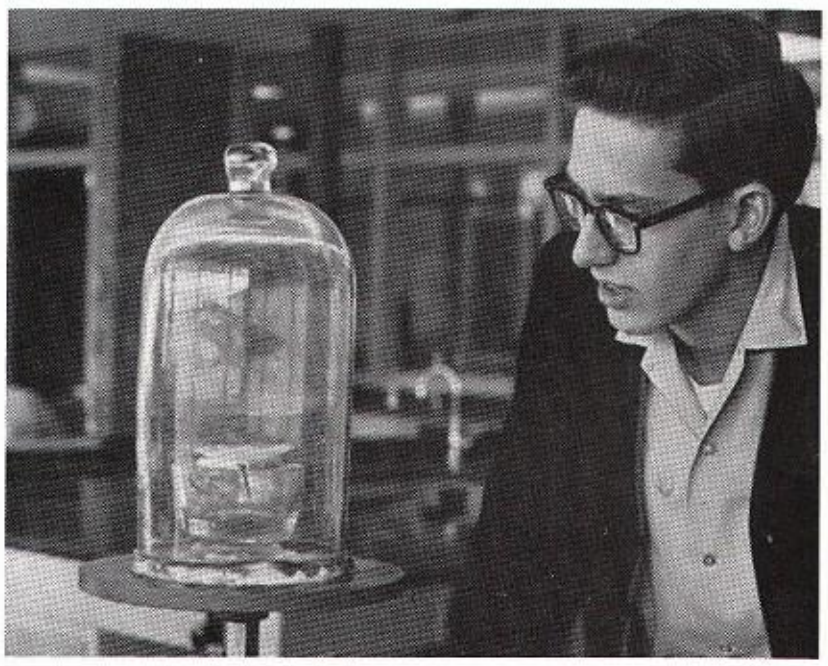
activities prepare members for scientific research

A preoccupation with science was the common denominator shared by the members of Valence Club, the oldest organization in Hutchinson High. While equal emphasis was placed on both individual and group activities, monthly meetings complemented individual projects with lectures and tours.

Co-sponsors Mr. Max Hamilton and Mr. Ron Rolfs offered technical assistance. The club was directed by officers Richard Mackenzie, president; Jim Berryman, vice president; Penny Lamb, secretary-treasurer; and Don Hazen, program committee chairman.

The achievement of Valence Club was not so much the compilation of an impressive record of activities as it was the inspiration acquired to continue along the ways of science.

"When will this lecture be over?" asks Mr. Max Hamilton of fellow Valence Club sponsor Mr. Ron Rolfs.



"Please work this time," pleads Jim Berryman as he tries to freeze water with a partial vacuum.

FTA members helped high school teachers approximately three hours a week. In the spring ten HHS representatives attended the FTA State convention in Manhattan.

During the year members participated in several money making projects which included working in the bookstore, sponsoring a dance, and serving at Hutchinson Teachers Association banquets. Members were under the direction of Mr. William Dixon, sponsor; Pat Johnston, president; Linda Nichols, vice president; Sally Enfield, secretary; Penny Hunt, treasurer; Paulette Livingston, points chairman; and Carol Johnston, reporter.

to high school life

In order to provide a closer relationship between sophomores and seniors, and to provide a sisterly type of guidance for the sophomore girls, certain senior girls were chosen to be Co-ed Counselors. They were selected by Miss Mary Petty, girls' counselor, on the basis of personality, scholarship, and leadership abilities.

Last August the group held parties for the sophomores and told them of the various policies and customs of the high school. On enrollment day the sophomore girls were taken on tours of the building by their Co-ed Counselors and given booklets telling of high school activities.

Besides orientating the sophomores, the Co-ed Counselors sponsored a dance, a chili supper, and for the first time awarded a $100 scholarship to one of their members.

composition, literature

are study areas

The English department continued its efforts to instill a greater appreciation of language and literature in Hutchinson High School students.

Sophomores reviewed the essential principles of grammar and began a study of composition. Library orientation was another part of the year's program.

Writing research papers was the most significant aspect of junior English. This project was augmented by a study of the development of American literature and composition writing with a greater emphasis on creativity.

In senior English, students matured in their ability to use original thinking in their writing and integrate ideas into an organized form. Seniors also analyzed selections from English literature; subjects from this study were often used as theme topics.

This was a year of new experiences for the students of the vocal music department, under the directorship of Mr. Gary Siemens.

A cappella girls doned uniform black dresses and the number of members was boosted at mid-semester to 74. The choir began its activities with a performance for Open House, appeared throughout the year at the junior highs, presented a Christmas and Spring Outdoor Concert, and ended the year with a performance at the Commencement ceremonies.

The a cappella choir accompanied by the orchestra, went on tour in April to Buhler, Wichita State University, and Topeka.

Other activities that involved vocal music students were the mass chorus at a home football game, district and state music festivals, AVL music festival, Kansas Music Educators Association Chorus, and Wichita State University Student Talent Day.

Under the direction of Mr. Leroy Esau, the concert band presented numerous performances for local and area audiences throughout the year. Its first appearance was at a home football game where it accompanied a mass choral production. In November the band appeared before parents attending Open House. The remaining programs for this select body of music students consisted of concerts before the student body, the local public, and Ark Valley and District Music Festival judges.

The highlight of the year was the honor of being chosen as one of two bands within a seven-state radius to perform for the Music Educators National Conference in Oklahoma City, Okla.

club awards scholarship

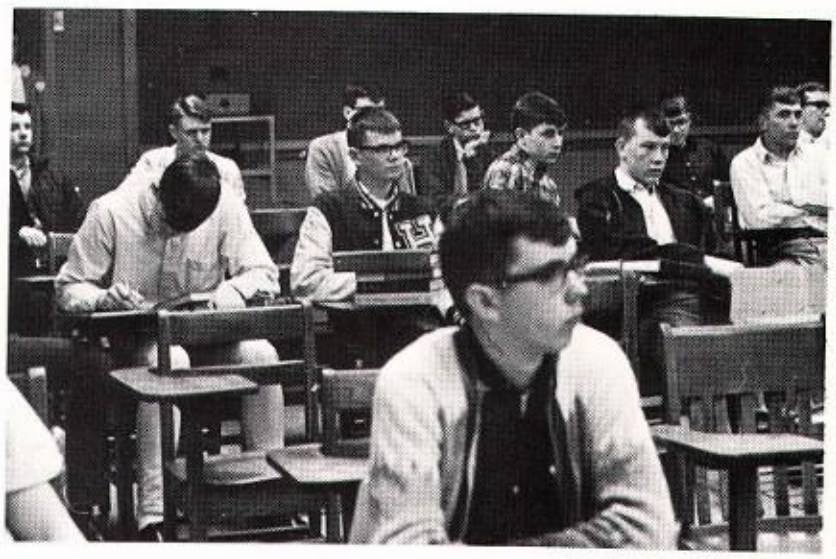
Hi-Y, a YMCA sponsored service organization, began the year by announcing the club was at its largest total membership.

Officers were elected in the spring, but did not take office until September. With Steve Harmon as president and Mr. John Poe as sponsor, the club began its annual projects.

Members ran the concession stands at home football games. The Hi-Y student directory was the result of another project. The directories were distributed free to the students and faculty.

Members also participated in after-school basketball games and swim meets. In the spring members prepared for the Model Legislature in Topeka by attending a pre-legislative conference in Wichita. At the end of the year the club awarded to its outstanding senior member a one-hundred dollar scholarship.

Deciding on a bill for the Hi-Y Model Legislature are club sponsor Mr. John Poe and Steve Harmon, president.



Giving their attention to a guest speaker are members of Hi-Y.

Reaching new and higher goals are Hi-Y officers and board members Steve Harmon, president; Tom Arbuckle, board member; Dwight Haldeman, vice president; John Poe, sponsor; Brad Ryno, board member; David Stoesz, program director; and Steve Morris, board member.

"Do you actually think we have change for a twenty dollar bill?" says Steve Lemen and Murray Roseberry to Dwight Haldeman and Gary Isenagle at the Hi-Y concession stand.

Helping prepare the Hi-Y student directory are Don Hazen, Paul Christianson, and David Stoesz.

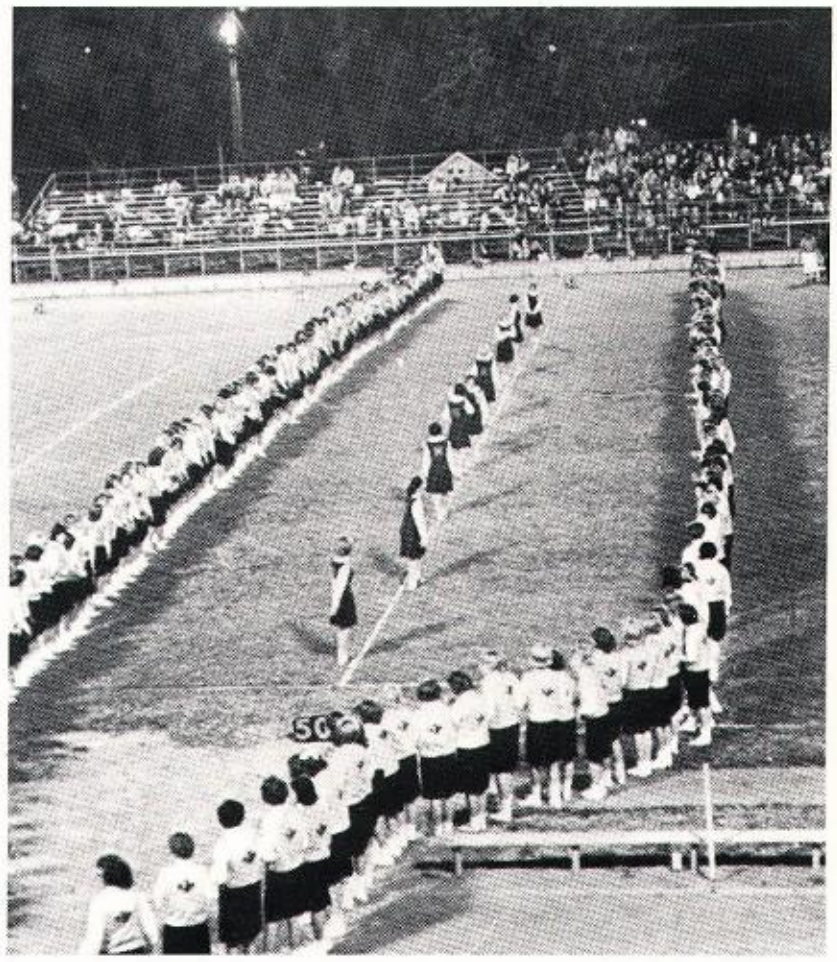
take buses out-of-town

Boasting a membership of over 400, the Briny Birds worked closely with the cheerleaders to create and maintain school spirit. Before each game they plastered the halls with posters and filled the gym with yells and victory songs during pep rallies.

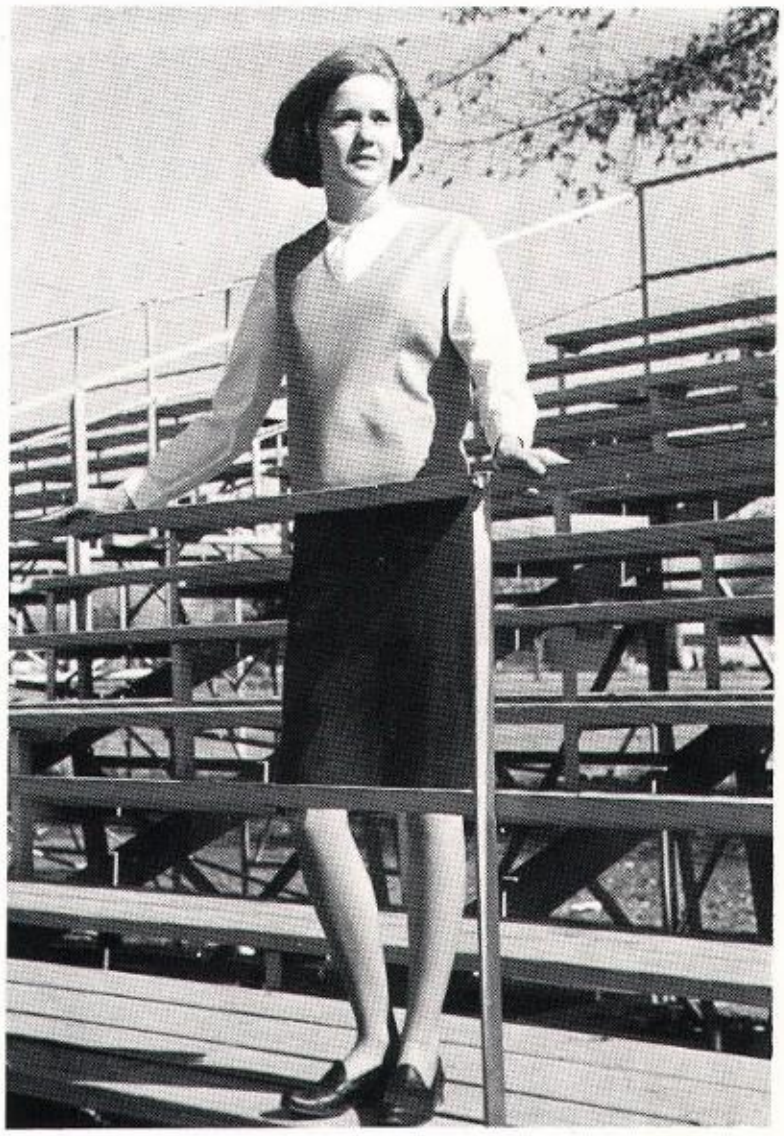
Briny Bird support was not restricted to activities at home. Provided with two buses, at least 80 girls saw each out-of-town game.

As a climax to a successful year, the Sweetheart Hop was held Feb. 5. The king was crowned at the dance after the Winfield basketball game.



Presenting an impressive spectacle, the Briny Birds line up to greet the football players as they come on to the field.

Setting an example of spirited enthusiasm, Briny Bird board members are first on the buses. Ready to leave for an out-of-town game are Esther Magie, Susan Quimby, Virginia Opdycke, Ann Hutchinson, Mary Cook, Susan Griffee, Beth Crawford, and Tina Terry.



Pausing in a rare moment of leisure from her many duties, Briny Bird president Susie Stuckey contemplates a forthcoming game.

Briny Bird sponsors, Mrs. Charlotte Atwater and Mrs. Maureen Turney, join in the cheers of the pep club.

Excitement is high at the Briny Bird pep skit as the Newton victory train is about to be robbed.

The Briny Birds promote pep at a basketball game as they join in a song.

Heading the Briny Birds are officers Susan Littooy, publicity chairman; Linda Sollenberger, treasurer; Sally Enfield, secretary; and Linda Pearce, vice president.

Beaming with anticipation of another victory are Briny Bird board members Nancy Stuckey, Phyllis Kumorowski, Linda Nichols, Linda Hunt, and Judy Ferguson.

Cheerleading semifinalists were chosen in the spring of 1964 by an election board, and the finalists were elected by the student body. The all-girl cheering squad consisted of five seniors and four juniors elected on a basis of leadership, grace and agility, salesmanship of cheers, and general cheering appearance.

From a rummage sale the girls earned money to go to a cheerleading clinic at Norman, Okla. last summer where they won three honorable mentions and a third place.

Co-sponsors of the cheerleaders are Mrs. Charlotte Atwater and Mrs. Maurine Turney.

In action is Linda Nichols, head cheerleader.

"Let's Go Big Blue! Let's Go!" yell Judy Ferguson, Nancy Smith, and Nancy Stuckey.

Generating pep at a football game are the cheerleaders.

buzz

juniors acquire skills

in journalism

Early publishing of the first issue of Volume 55 of the High School Buzz was an objective of the newspaper staff. Before the Sept. 17 issue hit the stands, Mr. Aylene Keown, supervisor, instructed the 28 juniors in the fundamentals of newspaper production.

Although the lectures were merely statements in the beginning, the staff soon discovered their worth as they wrote cutlines and headlines, read copy, and laid out pages. Each of the journalists had the opportunity to write news, feature and sports stories, as well as editorials.

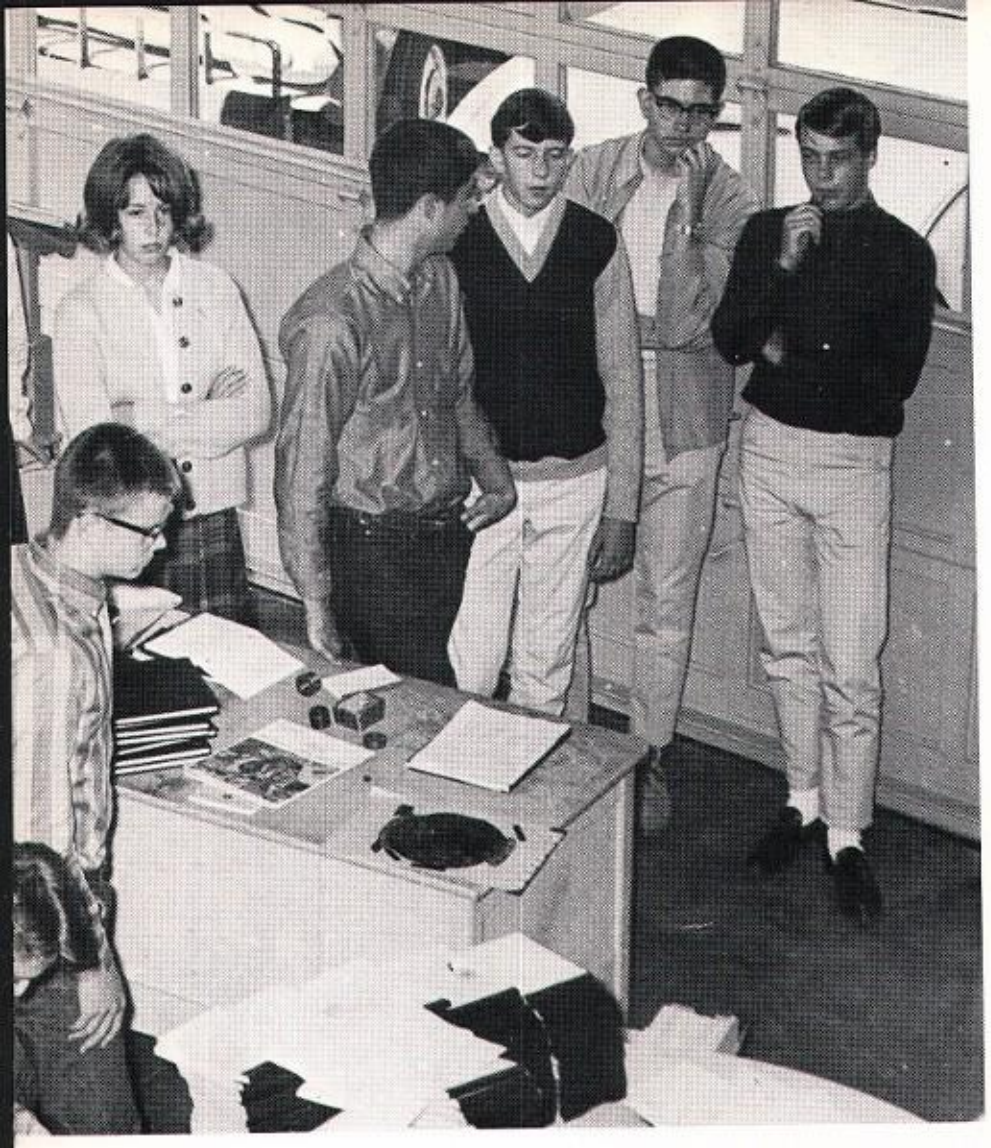
By covering advertising beats and laying out ads, the students received a background in this area of journalism.

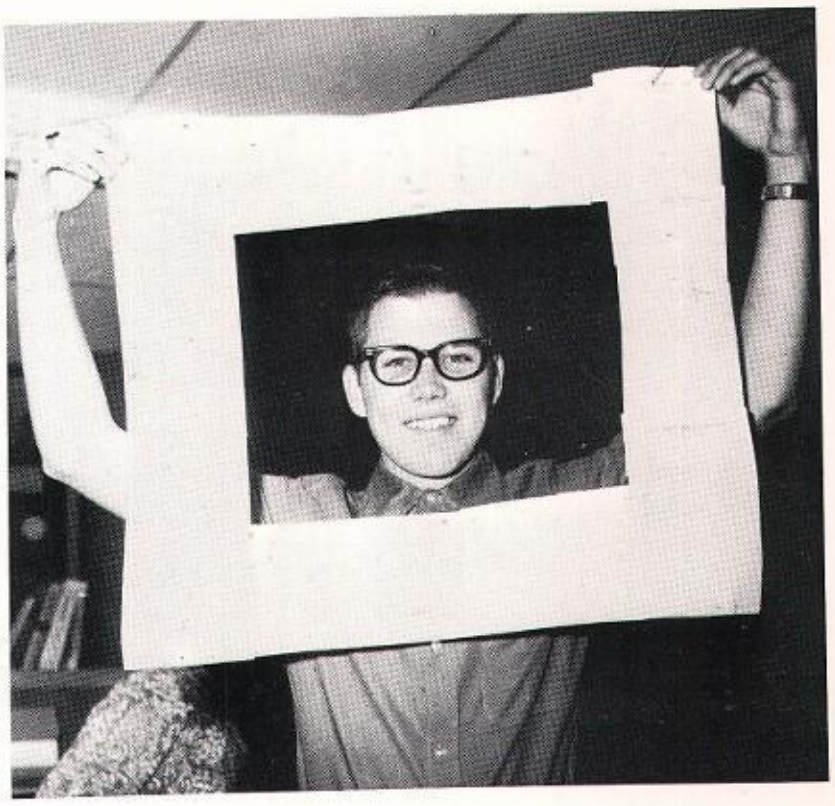
Meeting deadlines and gaining some knowledge of journalism were prerequisites for yearbook production. In addition to these acquired experiences, during the last three weeks of the school year the students learned details for publishing the 1966 Allagaroo.

On their annual tour of the print shop are Buzz staffers J. Frost, C. Conger, J. Thayer, B. Bachman, S. Fulks, P. Schrader, J. Wilson, G. Painter, L. Sallman, K. Langenwalter, P. Lamb, J. Abildgaard, B. Carter, D. Corley, D. Elliott, N. Gardner, S. Holford, D. Haldeman, R. Mackenzie, R. Hamilton, J. Arbuckle, M. Elder, and M. Horton, printer.

"I told you I'd scream if you punched that button!" yells Janie Thayer to Barbara Bachman as she tries to get a story typed for a deadline.

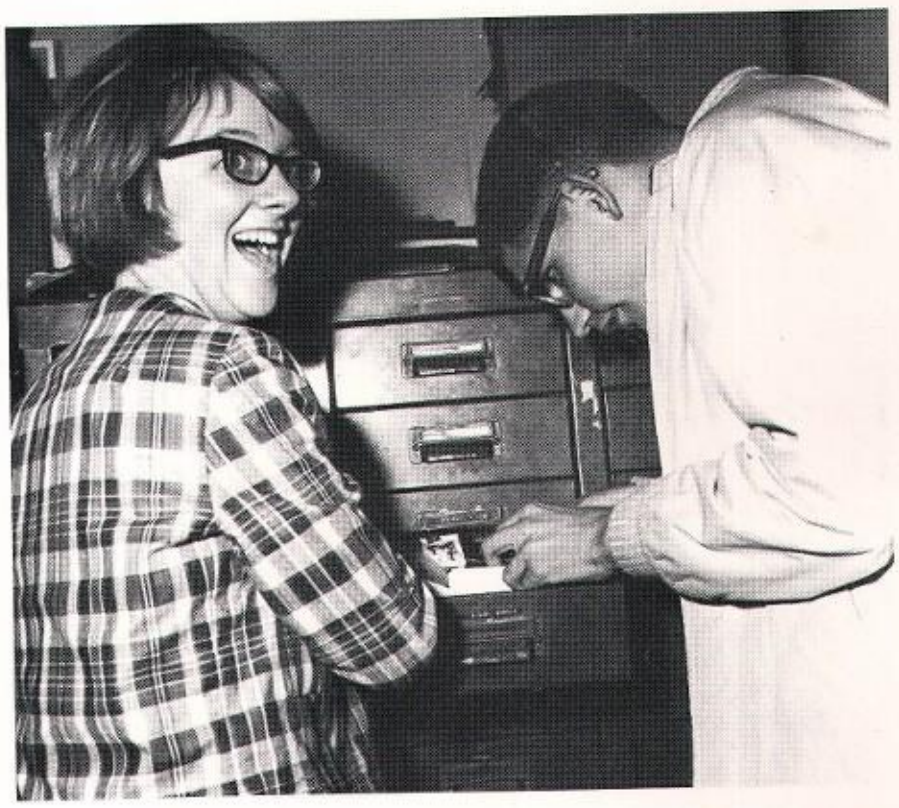
With only one day left until the deadline Bonnie Carter, Penny Lamb, and Janette Wilson make up the dummy for page one.





Framed by his work is Phil Schrader, business manager.

"After the Buzz goes to press, we need our relaxation," sighs Sally Holford. Her cohorts are Deidre Elliott, Nancy Gardner, and Debby Corley.

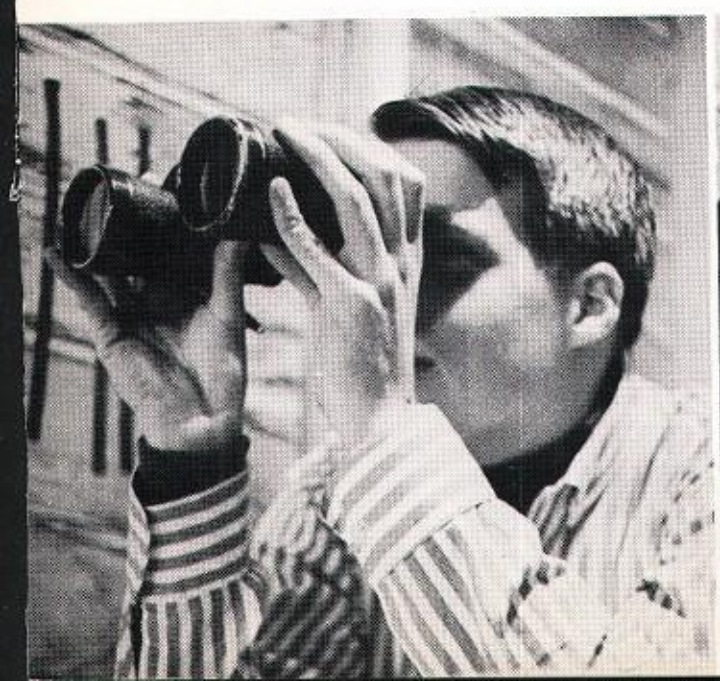


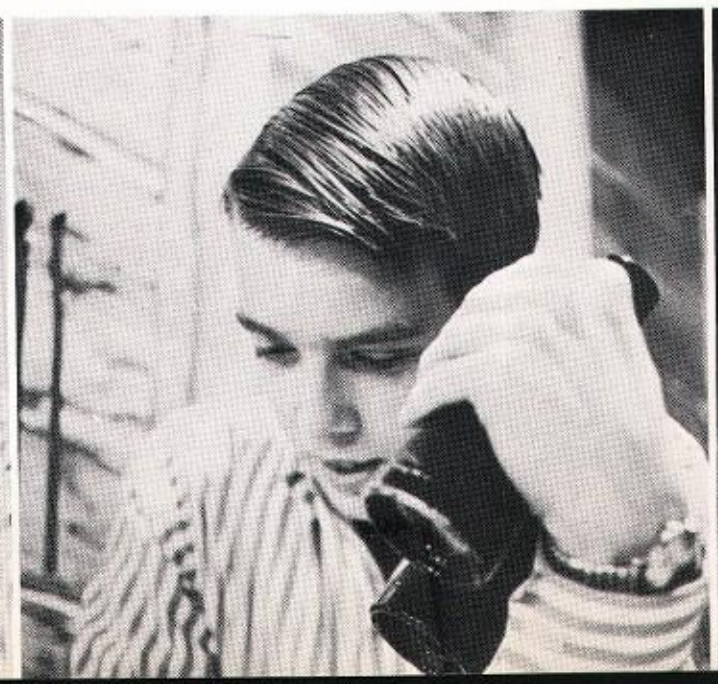
"I was looking for my eraser," explains Janey Frost as she and Richard Hamilton sneak a look into an Allagaroo drawer.

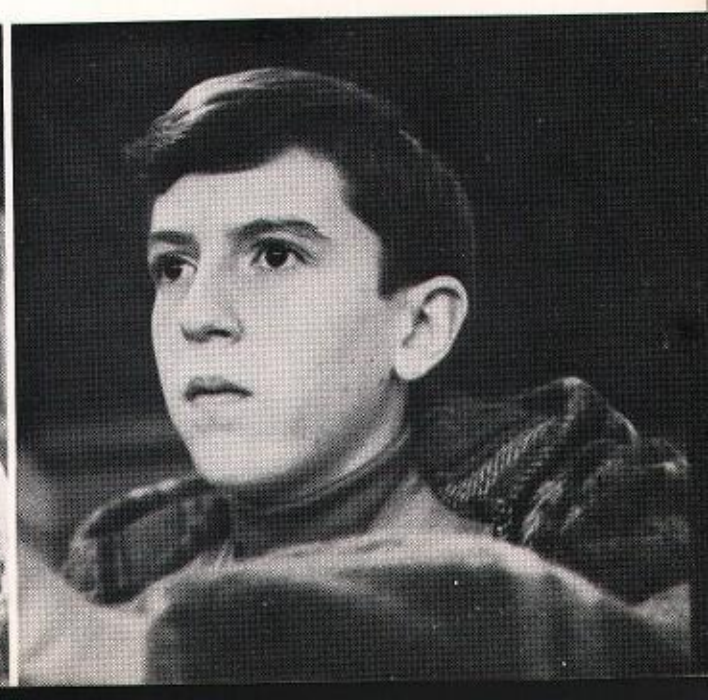
"Wow! A 50-yard run!" exclaims Jeff Arbuckle from his seat in the press box at Gowans Stadium.

"What a great story this will make for the next Buzz!" thinks Arbuckle.

"If they can only hold the line a few more seconds . . ." hopes Richard Mackenzie, another reporter assigned to the game.







allagaroo

class works throughout year

preparing for march deadline

With the slogan "Things Come Alive in '65," the 32 senior journalists began work on the yearbook as soon as they had published the last Buzz in the spring of '64.

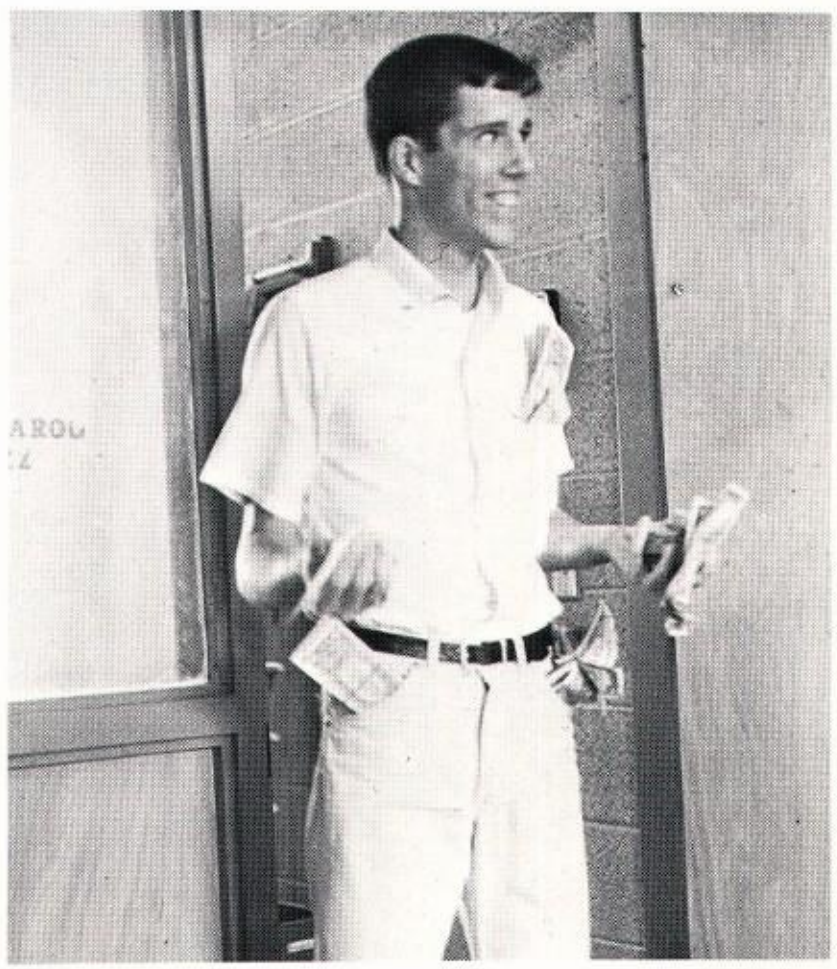
Last fall the staff continued to take pictures and began writing copy and laying out pages for the first deadline, Nov. 1. These beginning months they designed the cover, decided upon division pages, selected the dedicatee, and planned a sales campaign.

The last two weeks of October, the staff saw the campaign plans come true with a record sale of 1350 books. The climax of the campaign was the Allagaroo dance where Jim Gilliland was crowned Allagaroo king by Sylvia Rothwell, assistant editor. The king was voted upon when the students purchased their yearbooks.

Months of deadlines having passed, the staff completed the 232 pages in March. In May, during a party held at the home of Mrs. Aylene Keown, adviser, the staff received their books. The next day the journalists distributed the '65 Allagaroos to the student body at the traditional signing party in the boys' gym.

The short and tall of the Allagaroo staff are Mrs. Aylene Keown, sponsor, and Bob Van Sickle, editor. The glasses they are wearing received a workout during the year as Mrs. Keown and Bob read and re-read pages.

"Let's keep Sylvia in here until tomorrow," suggests Alan Winchester to his fellow photographer Neal Whitaker. Sylvia Rothwell, assistant editor, is being punished for bringing the photographers too many picture appointments.



Everyone yields to temptations occasionally. Business manager Lynn Barnard is no exception as he absconds with the Allagaroo sales for the day.

Happiness is . . . finding a lost negative.

Happiness is . . . meeting a deadline.

Happiness is . . . having the photographer and the staff member showing together.

Happiness is . . . having your page returned with no corrections.

Typical staff organization is illustrated by Jaye Ediger and Tina Terry.

Generating enthusiasm for Allagaroo sales in A-lobby are staff members J. Evans, B. Van Sickle, S. Burgin, M. Walter, E. Magie, L. Pearce, M. Cook, T. Terry, B. Henry, M. Fletchall, and A. Hutchinson.

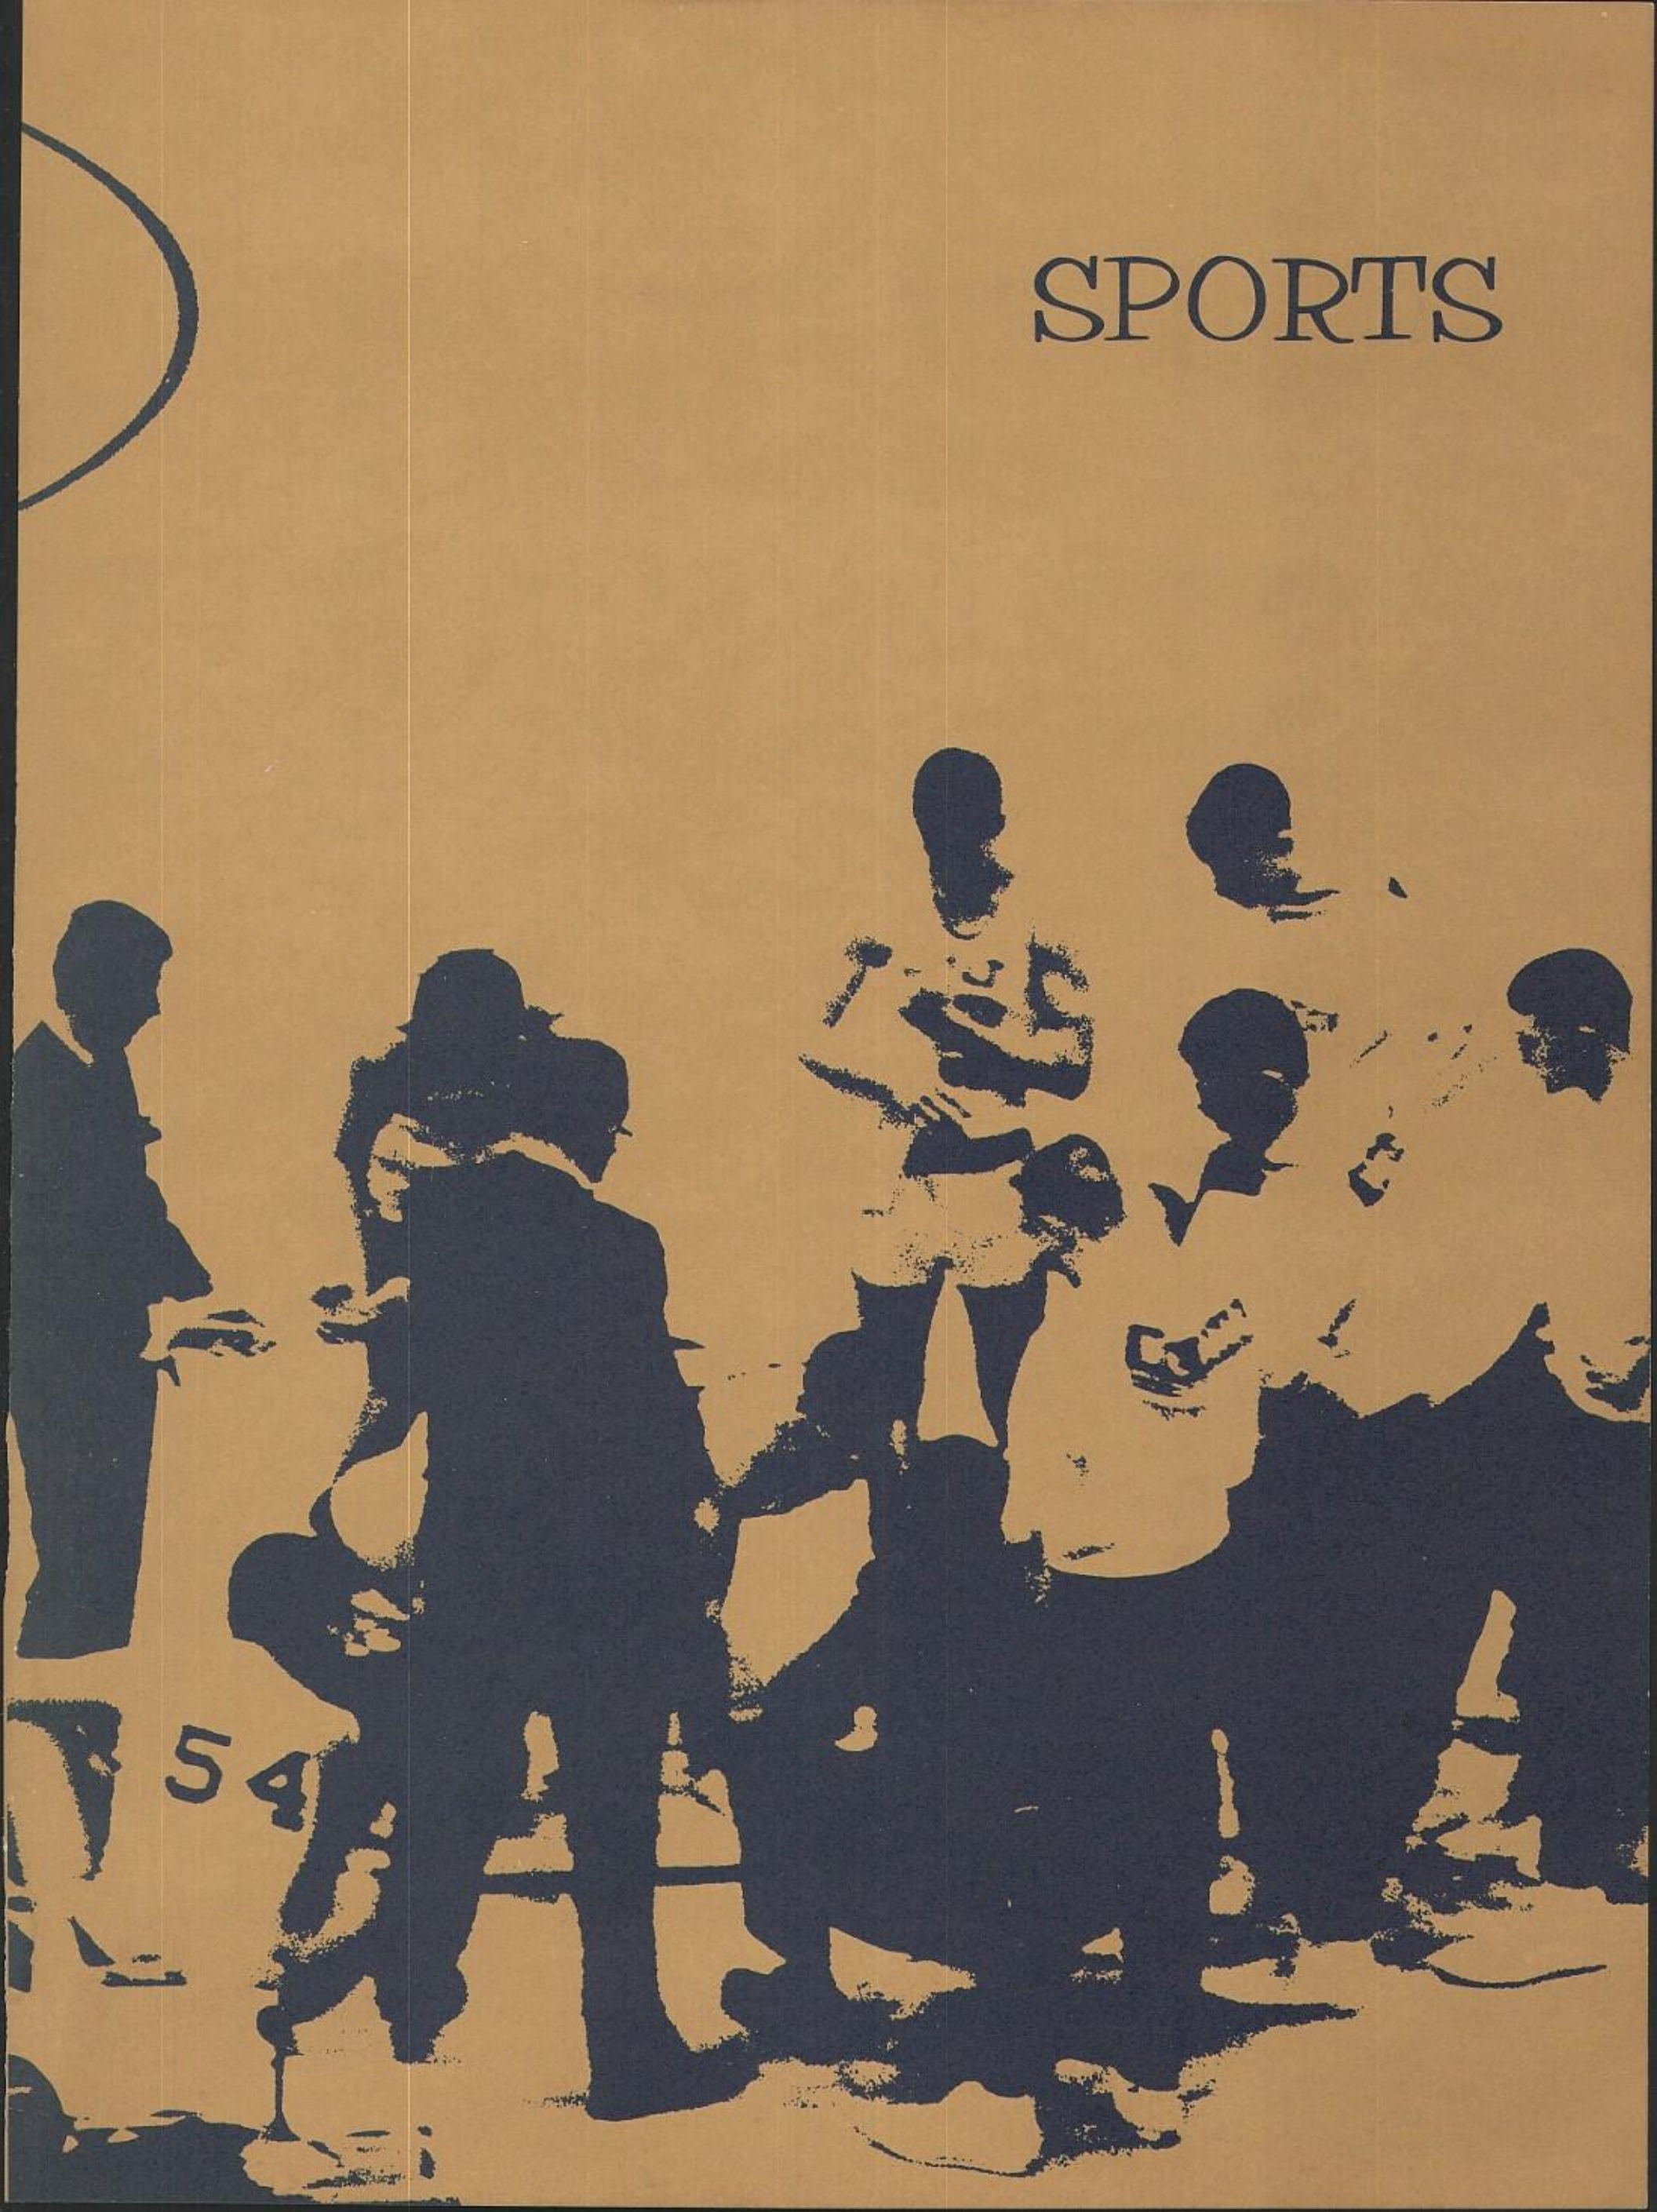
SPORTS



An uproarious cheer resounds as the decisive point is scored, and Hutchinson struts into the limelight of victory. Yet, inside this shell of excitement, embracing either victory or defeat, exists the more realistic athletic world of diligent practice, hard-driven coaching, and prideful teamwork. The sacrifice of leisure time to prepare for competition as an individual or as a team leads beyond the flash of the season record. While time reduces records and ratings to dusty memories, the qualities of good sportsmanship and moral character that athletics generates do endure.

despite slow start

After dropping the first four games, the 1964 Salt Hawk football team gained momentum to win four of their last five contests.

The single loss of the latter five came at the hands of a strong Ark City team, ranked sixth in the state and who became Ark Valley football co-champions.

By beating Newton in the final contest of the season, Hutchinson tied for fourth with Newton in the final AVL standings.

Hutchinson hosted the Great Bend Panthers in the season opener. The Panthers drew first blood in the opening quarter, scoring on a 12-yard run. Great Bend's massive line stopped the Hawk offense cold for the majority of the game until the final quarter. Great Bend scored first in the final stanza on a 54-yard TD run before Bob Newell passed to Jaye Ediger for the Hawks' lone tally. Final score: Great Bend 13, Hutchinson 6.

A strong Wichita Southeast team handed the Salt Hawks their second defeat. Lone high spot of the game for Hutchinson was Bob Newell's 83-yard run. Final score: Southeast 16, Hutchinson 6.

HAWKS OPEN AVL PLAY

Hutchinson dropped their first AVL encounter to the El Dorado Wildcats, 20-6. The Wildcats scored all of their points in the first half and hung on for the remainder of the game allowing only one Hutchinson score, a 31-yard run by halfback Zack Ebner. An inspired Hawk defense held the Wildcats to only 34 yards rushing in the second half. El Dorado broke off Hutchinson's two scoring attempts with pass interceptions.

The Salt Hawks dropped their fourth loss in a row to the Winfield Vikings at Winfield, 14-6. In a game of miscues Hutchinson lost out on key breaks.

The Salt Hawks ended the season on a winning note with a 19-6 victory over the Newton Railroaders. After a scoreless first quarter Newton and Hutchinson each scored a TD in the second stanza. Hutchinson's tally came on a 3-yard plunge by halfback Zack Ebner.

In the third quarter Hutchinson ground up 70 yards before Richard Russell, junior, crossed the goal line on a 4-yard run. The score remained at 13-6 until the fourth quarter. loses at state to hayden

After completing the regular season with eighteen wins and only one loss the Salt Hawks moved into regional competition at Garden City. Hutchinson drew a bye the first round which put them against Bishop Carroll in the semifinals. Behind Jaye Ediger's 18 points and a balanced scoring attack, Hutchinson smashed the Wichitans, 61-33.

In the championship regional game the Hawks tangled with Garden City. With guards John Markle and Bob Newell hitting 19 and 15 points repsectively and with 30 free throws out of 38 attempts, the Hawks won a hard-fought 66-59 victory. The win sent Hutchinson to its first state tournament in nine years and Coach Joe Krafels to the first state tournament of his coaching career.

In Allen Field House at Lawrence, the Salt Hawks met Hayden (Topeka) High School who had a record of 19 wins and 3 losses.

With three minutes to go, Ediger stole the ball twice to push the game into an overtime period. In the overtime, and with 5 seconds left, a shot by Hayden failed to go in but on a tip-in the ball rolled completely around the rim, hesitated a second and then fell through. The final score was 53-51.

In all the game was tied 11 times with the lead changing hands on 8 occasions. Ediger led the Hawk scoring with 18 points. Although sitting out almost a quarter because of foul trouble, Markle had 13, and Van Sickle hit 10.

The real difference in the game came at the free throw line. Hutchinson hit only 7 of 13 but did outscore Hayden from the field by 3 goals.

The Salt Hawk team, who had carried its high school to the state tournament, closed the season with a 20-2 record. Their only losses were to McPherson by 8 points and to Hayden by a ball that fell the wrong way.

goes undefeated in league play

for second straight year

The Salt Hawks opened the season by playing host to the Wichita Heights Falcons. John Markle got the Hawks off to a good start by scoring 10 points in the first quarter and 16 for the game as the Falcons were shot down by a 58-30 score.

The Campus Colts invaded the Sports Arena for the initial Ark Valley League contest. A big second quarter in which the Hawks scored 21 points while the Colts did not hit a single field goal was the main feature in a 73-40 victory for the home team.

A balanced scoring attack highlighted a 61-35 triumph over the Derby Panthers in a third straight home game.

Hutchinson's first out-of-town trip resulted in a 79-53 conquest of the Winfield Vikings. Jaye Ediger and Bob Newell paced the Hawks with 20 points each.

After the two-week layoff for Christmas vacation, Hutch entertained Newton in a clash of the only remaining unbeaten teams in AVL play. The Salt Hawks racked up the most points ever scored against the Railroaders in an easy 81-53 win.

The El Dorado Wildcats came to Hutchinson and held the Hawks to a 25-22 halftime lead. However, during the third quarter Markle and Ediger tallied 11 points between them to boost a 30-27 margin to 41-27 and the Hawks won going away by a 57-37 score.

Hutch then traveled to Great Bend for a non-conference affair and hit their highest point total of the year as they smashed the Black Panthers, 92-60. Bill Wagler and Ediger led the victors with 22 and 20 points, respectively.

In the semifinals the Salt Hawks met McPherson's scrappy Bullpups and, having a cold shooting night, suffered their first setback of the year by a 49-41 score.

The Hawks came back strong the following night to down Parsons 65-55 for third place. Wyandotte of Kansas City survived a tremen-

Hutchinson returned to AVL play as they invaded Wellington and defeated the Crusaders, 54-43.

The Hawks took a big step toward the AVL title when they trimmed the Campus Colts 46-39 in a tight game that was tied 23-23 at halftime.

At Arkansas City Ediger led the Hawks to their eighth consecutive win with 21 points in the first half and 28 for the game. The Bulldogs went down by a 73-43 count.

On opening night of the McPherson Invitational Tournament, Hutch defeated Washington of Bethel 67-57 as all five Hawk starters scored in double figures.

Returning to the Sports Arena for their first home game in almost a month, the Salt Hawks ripped Winfield 77-52 as Markle broke out of a scoring slump for 20 points and game honors.

The Hawks entertained Salina in their final non-conference game and crushed the Mustangs, 79-48. The Mustangs pulled to within two points, 23-21, in the second quarter, but Ediger led a surge that gave the Hawks a 40-23 halftime advantage and the home team was never in trouble thereafter.

The Salt Hawks found themselves in a slowdown game when they journeyed to Newton, but came out on top 36-20 as Ediger meshed 16 points.

Hutchinson clinched their fifth consecutive AVL championship at El Dorado by overcoming the Wildcats, 60-45. The Hawks trailed 5-12 at the end of the first quarter and were behind 17-23 with less than two minutes in the first half when they hit 11 straight points for a 28-23 lead at intermission. Markle canned 18 points for individual honors.

Returning home, the Salt Hawks jumped to an 18-6 first quarter lead and easily defeated the short Arkansas City Bulldogs, 65-33.

The Hawks ended regular season play with a 67-38 victory over the Wellington Crusaders for an 18-1 record. For the second straight year Hutchinson went undefeated in league activity.

cross country

places fourth in regionals;

sends two to state

After a slow start, the 1964 cross country team coached by Mr. Dan Heitmann and Mr. Richard Woodson, developed into one of the finest squads in Central Kansas. The Hawk harriers best team effort was at the Wichita North Invitational. The first five places for Hutch were all under 10:36. The best 1963 individual performance was 10:58. In 1964 it was lowered to 10:09.5 by John Denney.

The future holds a lot in store for Hutch High cross country. Only one member of the "A" team will graduate while two juniors and four sophomores will be returning. John Denney, a sophomore who finished seventh in regionals and 29th at State, will team with juniors Lynn Exposito and Edwin Beetley to form the nucleus of the '65 squad.

In only two years of competition, HHS has established itself as a future cross country power with its fine record and the potential to extend it.

finish with 4-4 record

in dual matches

Although plagued by injuries, Coach George Jackson's wrestlers managed a 4-4 record in dual matches.

The Hawk grapplers started off well, gaining a come-from-behind 21-19 win over El Dorado, a 28-21 victory over Arkansas City's defending state champions, and a tie for second in the Russell Invitational Wrestling Tournament. George Brauer, in the 103-pound division, and Dan Zumalt, in the 145-pound division, captured firsts for the Hawks in the Russell meet.

The Hawks then suffered two defeats in a row, losing 18-20 to Wellington and 17-26 to Campus in a match that see-sawed back and forth until the last stages.

Back on the winning track, the Hawk matmen smashed Derby 26-12 and Winfield 39-9.

The Hawks were then handed a 15-23 defeat by Salina and a 11-35 whipping by Newton in their final two dual matches.

In the Ark Valley League tournament at El Dorado, Hutchinson placed fourth behind Arkansas City, Newton, and Campus. Dwight Hemmerling, in the heavyweight division, garnered the Hawks' only first place. Lynn Exposito, in the 95-pound class, and Dan Zumalt, in the 138-pound class, took second places. Don Montgomery placed third in the 112-pound division; Jerry Corley, third in the 133-pound division; and Ron Baughman, third in the 154-pound division.

The wrestlers traveled to Salina for the district meet and finished fifth. Exposito, 95-pounds; Zumalt, 138-pounds; and Baughman, 154-pounds, won championships. Jack Kenyon, 133-pounds; and Hemmerling, heavyweight, took third places. These five boys thus qualified for the regional tournament at Russell.

Because of injuries, Zumalt and Hemmerling could not compete at Russell. Exposito and Baughman lost opening matches and were eliminated. Kenyon placed third in the regional and was the only Hawk to advance to the state meet.

In the state tournament at Colby, Kenyon lost his first match 3-1 to the eventual state champ and then was defeated 2-0 by the fourth-place finisher.

Coach George Jackson, Jack Kenyon, and Coach Richard Woodson leave for the state wrestling tournament at Colby. Jack was the lone Salt Hawk representative.

swimming

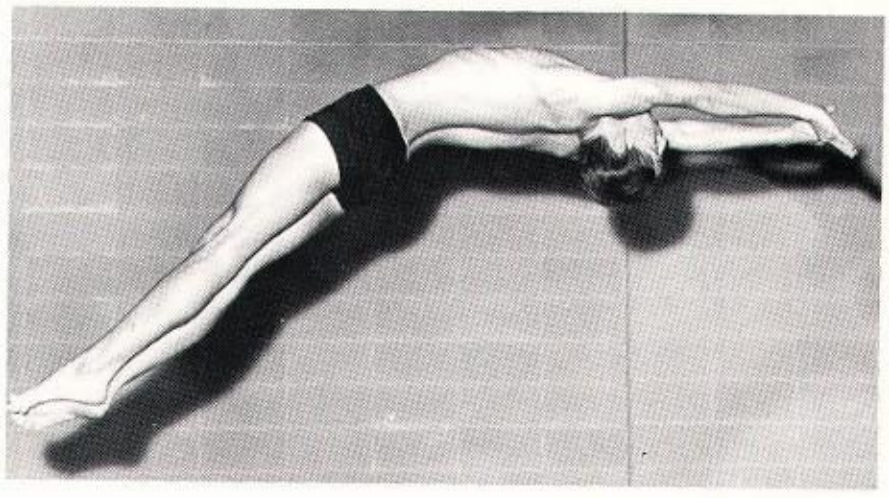
team enters competition

for the first year

For the first time HHS had a swimming team this year. Comprised of 28 boys, the team met each morning at 6:30 o'clock under the instruction and supervision of Coach Bob Samples.

Competing against schools known for their swimming teams, the novice Hawks were able to win only one out of their six meets by winning over the Wichita North "B" team. Four members of the squad qualified for competition in the state contest Feb. 12-13 at Wichita.

Swimming was made possible through an agreement between the Hutchinson School Board and the local YMCA. The school board gave the YMCA a lease to build on school grounds in return for use of the pool.



Rick Welch shows good form as he executes a back dive during practice.

STUDENT LIFE

A school is more than a building. It is more than an institution of learning. It is the center of the student's existence, his source of knowledge, social contacts, and experiences. He tries to achieve success in his various endeavors, sometimes succeeding, sometimes failing. Here the struggle for personal fulfillment is but preparation for the more essential struggles of adult society. Whether in the classrooms, at club meetings, attending parties, or just "dragging Main," students find that their lives revolve around the school in many ways, providing them a stepping-stone toward attaining their goals, a pathway to maturity.

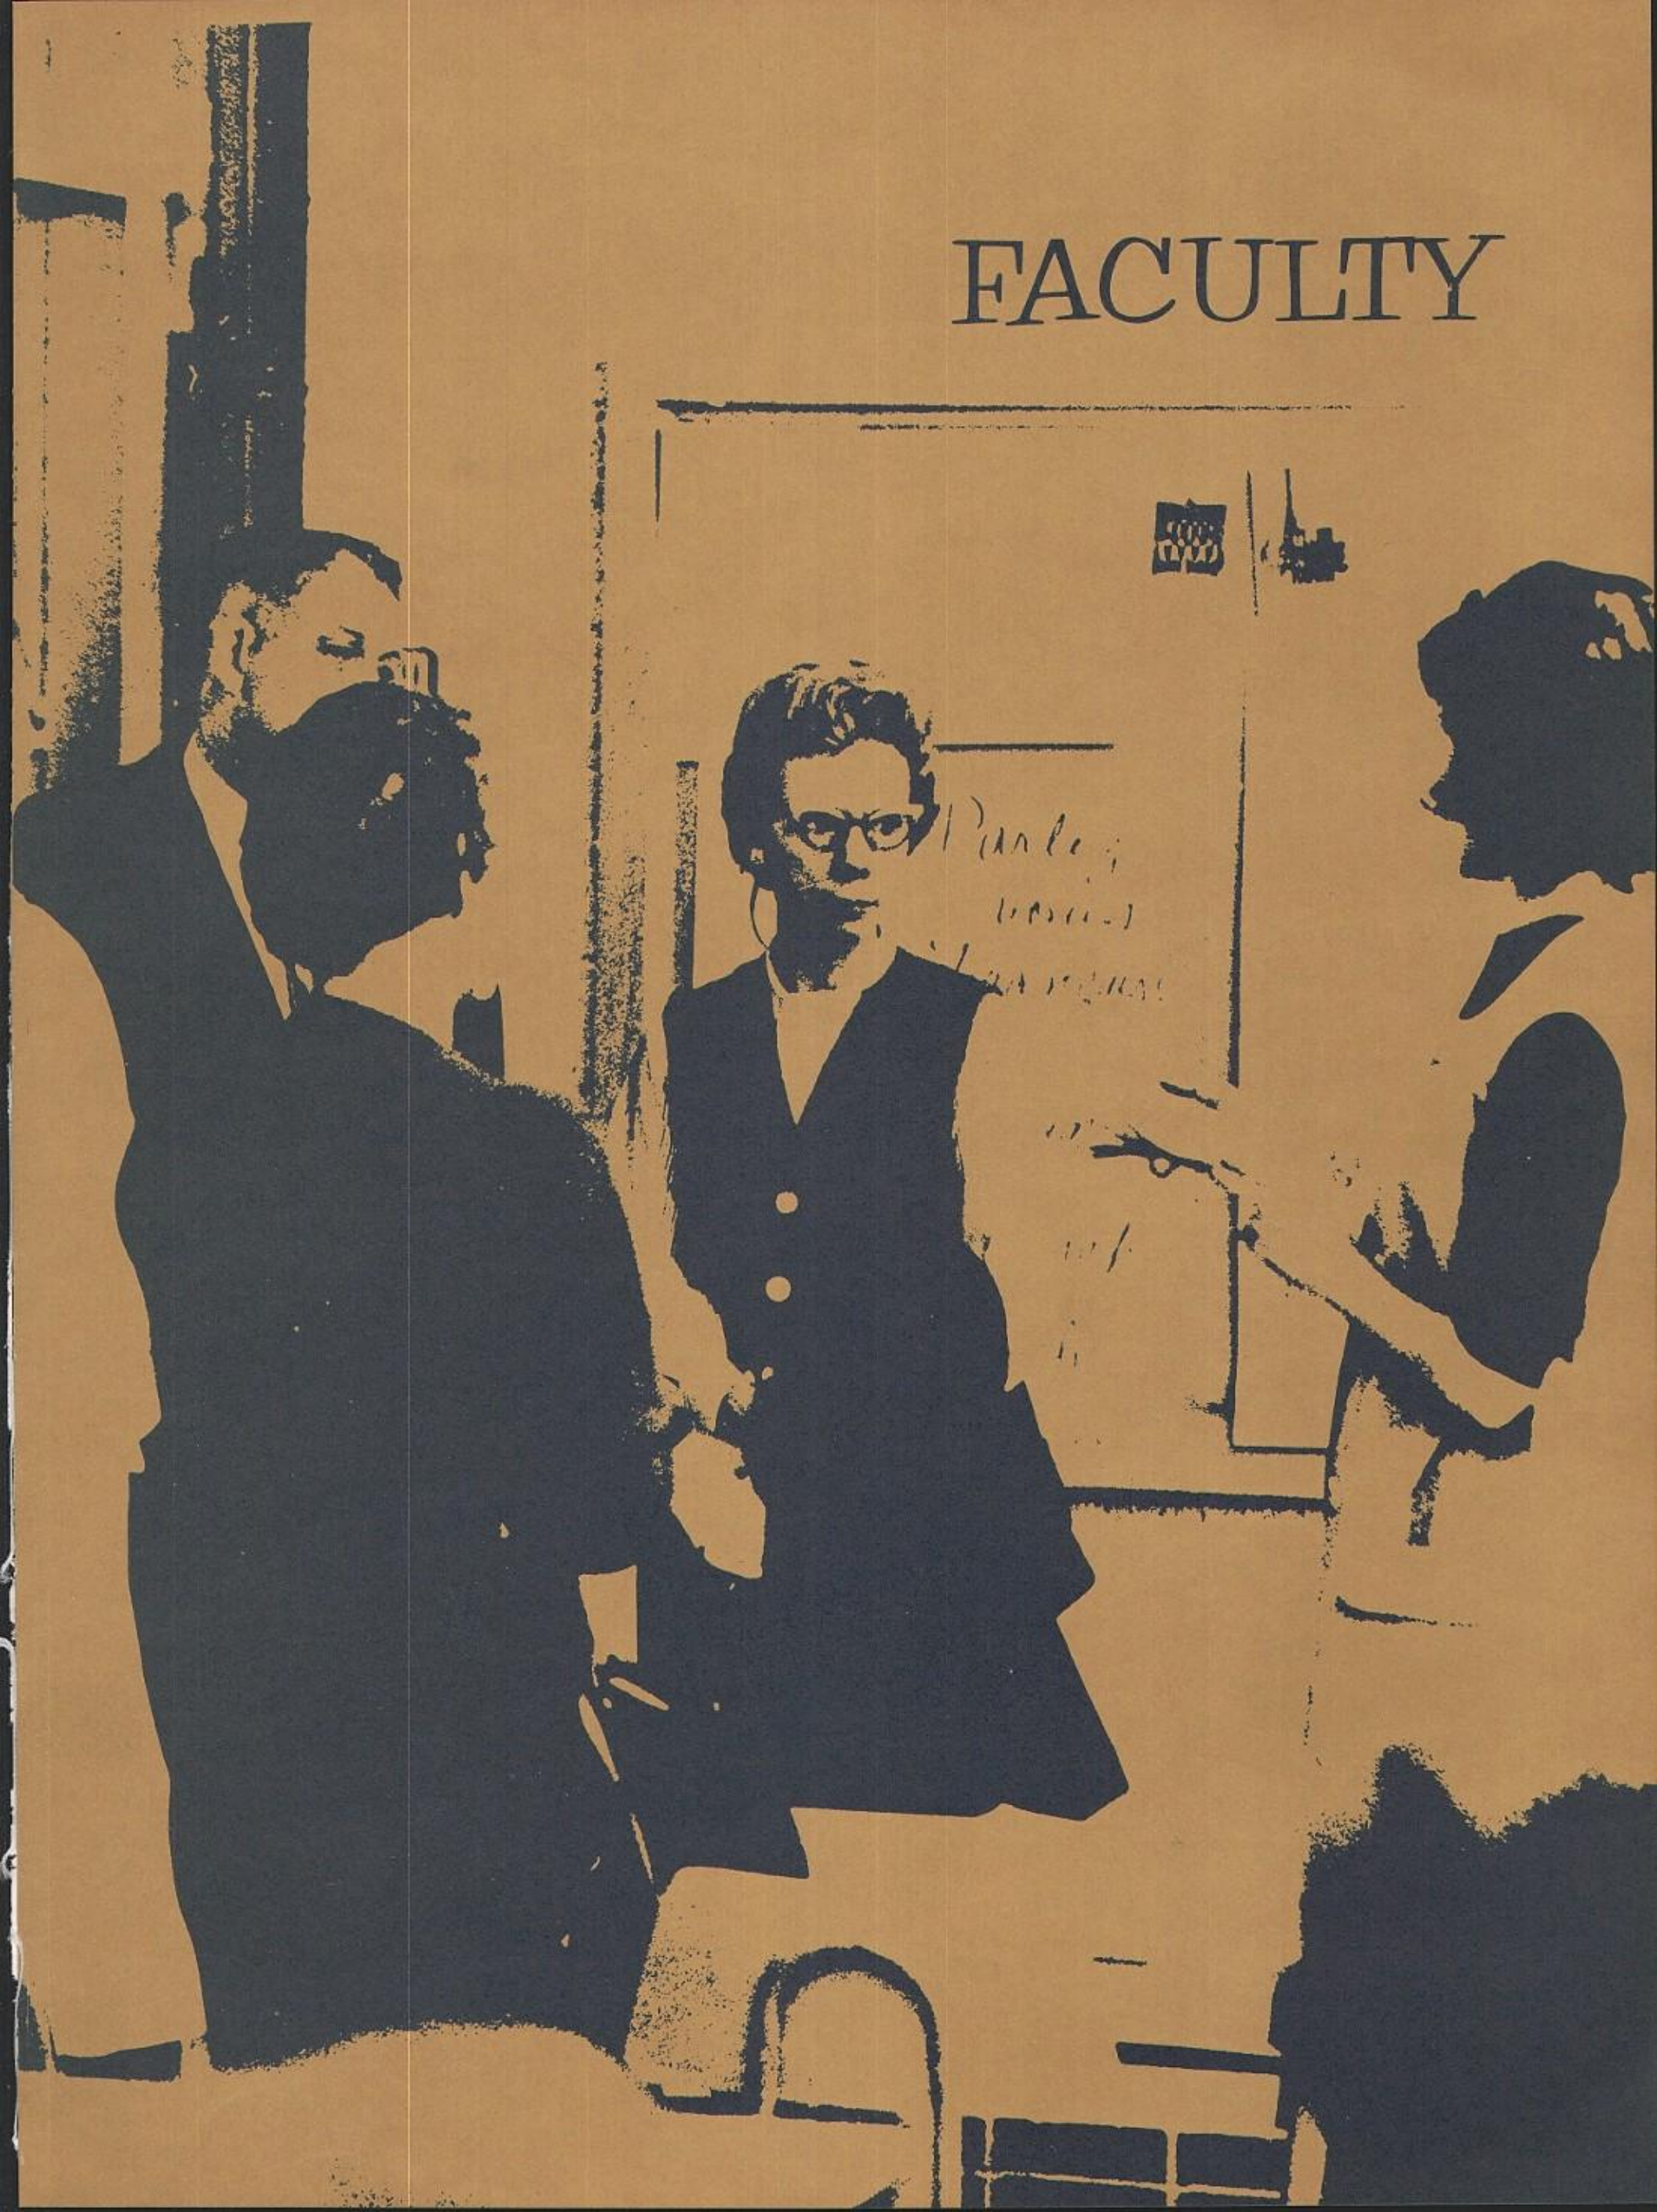
FACULTY



At the beginning of the year a teacher stands before his class, a formidable unknown whose reputation may be known only secondhand. Likewise, his subject poses an engaging mystery to be solved in a fleeting 180 days. As the year progresses the subject resembles more a field of human endeavor, and the teacher becomes more a three-dimensional personality. Soon he is a decisive influence on what he teaches, the factor which determines the enthusiasm of his pupils. Then, not only is it the duty of a teacher to convey ideas, but it is his task to inspire a continuing interest in knowledge, which is alone invaluable.

Dr. Harland L. R. Paschal joined the Hutchinson Public School System as the superintendent of schools in January.

At the same time, the Board was busy in several building programs: the addition to Liberty Junior High, and making plans for the new Library and Science Hall and Planetarium at the Junior College.

In December, the Board selected Dr. Harland L. R. Paschal as Hutchinson's new superintendent of schools. Also, this was the first year for the Area Vocational school that was started in a combined effort with Newton and McPherson. Swimming was also added to the high school program.

The Board spent the second semester reviewing all school policies and procedures with Dr. Paschal. They hoped to re-evaluate all schools and curricula.

Dear staff,
Congratulations to all of you for being the first Allagaroo staff to put out a 1965 Allagaroo. HHS has never seen a yearbook to compare with this one. There are mistakes; look for them. Then, try to put out a yearbook yourself. Last fall thirty-five brave people initiated an effort to publish an outstanding yearbook. This spring thirty-five exhausted people succeeded.
Respectfully,
RDVS
ROYAL

Chris -

I'm going to try and fill up this page but don't be too surprised if I don't! You and Marcelle about killed me laughing so much today. I've never laughed so much in my life. Gee, I feel so bare with my hair cut short, but at least it's cooler. Always remember the fun times we had with John and Marvin. Of course, we can't forget the 'fuzz.' ha! Remember the Sunday afternoon Dennis took us riding in his convertible? That was so much fun. I still almost feel like crying when I read what Robert put in my supplement, don't you? Always remember the bumpy rides we used to have. I know I'm such a great driver! ha! I just can't believe another school year has gone by. It just doesn't seem possible. Next year we'll be big, bad Seniors. I'm looking forward to my senior year, but I'm planning on having fun this summer. You're a real sweet girl and cute, too. You're a lot of fun, too. Please stay that way. Be good to Roy (and Sam), and for gosh sakes, don't get into trouble. Have fun and I'll see ya around.

Love always, Carol
